INTRODUCTION

By Lou Engle

Over forty years of ministry I've rarely led a prayer meeting without sharing first a prophetic scripture passage or a dream. Why? The prophetic word energizes prayer. It ignites faith. It is the bow that shoots the arrow of the Lord's victory against injustice. It raises up kings and brings them down.

In our movement we call this prayer pattern the Dream Stream. Hang around the Dream King. Get into a Dream Stream. Join yourself to a Dream Team. And in prayer you birth the Martin Luther King Thing. We share our dreams, we test them, and we pray them. It is amazing the divine intelligence God is willing to impart to the community simply because we treat the prophetic as holy, actually pray the prophecies, and then do the dream. Justice rolls down like waters!

Andrew Whalen, my dear spiritual son, has been raised up by God, not by men, into this profound calling of prophet/dreamer and the divine intelligence he receives has fueled my faith and prayers for America for nearly 20 years. The great burning torches of our Divine National Assignments (DNA) have been lit and sustained so often by the kindling of this man's contact with heaven.

Today there is much questioning and accusation against the prophetic movement, some of which is well deserved. But we must not become jaded to prophecy. The apostle Paul himself exhorts the church, "Do not quench the spirit. Do not despise

prophecy. Hold on to what is good and reject that which is evil.” When we begin to treat prophecy with contempt we actually quench the Spirit. Not only that, a casual approach to dreams brings casualties. We lose the eyes of the church. We lose spiritual vision and miss our moments and God’s strategic movements. We unstring the bow and miss the target.

Andrew is quick to say that his dreams must be tested and he is eager to keep fellowship in spite of differing opinions and interpretations. That said, when you read the book it’s hard to argue some of the most awesome confirmations. To miss that is to miss your Awe-Wakening.

I believe this book can be instrumental in bringing a fresh paradigm or PRAYERADIGM to the prayers of the Ecclesia. I believe Andrew’s 30 dreams and decrees can impart pointed strategic prayer focus and faith for this present pregnant moment in America’s history. Those reading, believe for a fresh high level invasion of dreams in your own life. Hang around the Dream King. Thank you Andrew. Keep dreaming for me.

FOREWORD

By Johnny Enlow

In March of 2016, while inquiring of the Lord regarding the coming election, I had a vision where I was clearly shown that Donald Trump was God's choice for the presidency. I was not pro Trump, nor had I planned to vote for him before then. As I was experiencing the vision, out loud I was saying, "Oh no!" This dynamic had never happened to me before—where I would be disappointed about what the Lord was showing me.

In the vision I saw Donald Trump at the top of a mountain on a loud motorcycle. I could see he had just won some kind of race that started at the bottom of the mountain. He was revving his motorcycle very loudly and he wore a red, white, and blue bandana on his head. As I was absorbing what all this meant, I was drawn in close to the motorcycle and saw that it was a Triumph brand. My "Oh no!" was in response to what became clear to me. In *my* mind, a less controversial candidate was in order and the thought of Trump as president told me immediately that we were not headed to peace and prosperity in the way I had imagined.

Immediately I heard the Lord say, "He is going to save you from things you don't know you need to be saved from. This is *My* election and he is *My* choice. Your nation will be known as 'before Trump and after Trump' before he is done. The whole world will be known as 'before Trump and after Trump.'"

With this reorienting from heaven, I quickly made the adjustment to God's choice and it has become progressively more clear just how important it was to align with God. Dreams, declarations, and decrees that don't originate from the wisdom and blueprint of heaven are quite futile, if not wholly counterproductive.

What I love about the book you have before you is that each dream and following decree has a heavenly starting point. The 30 dreams that Andrew shares weave together in a tapestry of heavenly intel and direction for intercession. They are all in synchronicity with each other and with what I have been shown over the 7 years since my March 2016 vision.

In this foreword I want to fully endorse Andrew, the dreams he shares, and the prayer points and decrees that come from his revelation. The orchestration of divine wisdom through him is very evident in his dreams, his interpretations, and the applications that provide guidance. I find the calling and gifting of Andrew to be very unique and advanced. There is no doubt the Lord has raised him up for such a time as this as a young general, particularly for the prayer movement. He showcases a next-level quality that, in my opinion, has been missing.

The fact that the Lord would give Andrew the clarity and quality of dreams that He has informs me that he represents a new prayer movement paradigm for the Body of Christ. The 30 dreams are all apostolic-level governmental dreams. I believe that some of the profound details in these dreams will be revealed in the future to have been uncannily on-target. The fragrance of faith, hope and love runs Andrew's dreams and decrees, with no scent of fear or panic.

Dreams To Save a Nation

The dreams you will read here are an invitation to believe a better narrative than what is coming from our fake media and from most pulpits. These are dreams from above the fog of war and, as such, they are a guiding light for one's personal level of hope and courage. As you the reader, intercessor, or prayer team become convinced of the purview God is laying out here, it allows for your own prayers and decrees on behalf of the nation to rise up with a mighty momentum. They will help position you as partners at a high level with the angels and solutions that God has made available to His sons and daughters. These are truly "Dreams to Save a Nation"—as you believe them and pray, we will take the first big step in seeing that objective realized.

Both Andrew and I may be accused of being too "Trump focused" and even being Trump-ists. However, you must understand that neither of us began as Trump fans. Our commitment to Trump's role comes 100% from revelation we have received regarding his central place as a God-ordained and God-orchestrated Cyrus. To ignore Trump's preeminent assignment today would be as foolish as the Old Testament prophets ignoring the centrality of Cyrus in their day. You could not be a credible prophet of the Old Testament and not know of Cyrus's importance.

God is not diminished by the fact that He uses a human instrument or instruments for executing His divine will. In fact, properly understood, God's greatness is enhanced and accentuated when He commits to using a flawed, imperfect human being. He is able to both keep him alive and fully execute His plan.

These "Dreams to Save a Nation" acknowledge a vital role for President Trump within God's plan, but it is most definitely

God's plan. He is the one blowing the Trump. Among *God's* highest objectives for our nation is our rescue from a Luciferian mafia that has taken over the reins of this nation with the intention of destroying it. That rescue operation is at a critical juncture where *God* invites us to join in. I believe what you are about to read is key for enjoying the days ahead.

Finally, I must make mention of the irreplaceable role Kelly, Andrew's wife, plays in all to do with who and what Andrew is—as well as the final product you see here today. They are truly a powerhouse team and the two are one. Together, they have given us this timely and critical scroll from heaven for our nation and, ultimately, for the nations of the world.

Letter to the Reader

It should go without saying that God is a great storyteller. He writes dramatic epics about individual lives, families, and nations. Life is all about storytelling. When God created each of us He began a new story. The Bible says all the days of our lives were written down in His book, even before one of them came to be! There is a scroll of purpose and destiny for each of us! Once you understand your identity in Christ, one of life's great joys is to discover the purpose and destiny you are called to live through Him. Today, when I look back through my past, I can now see the fingerprints of His prophetic authoring in every unique chapter of my life. The following is the prophetic context from which I personally dream and speak, as well as a brief snapshot of my story—providing you with a supernatural context and understanding for this book. I pray it gives glory to Jesus Christ, the Author and Finisher of our faith!

“Dreams to Save a Nation” has its origins in my own personal prophetic journey that largely began in the early 2000s. Those college years were spent passionately seeking God in nightly secret prayer. Consequently, supernatural encounters started to become a more regular part of my life at that time. I will never forget the night that God interrupted my prayer time to tell me He had a prophetic call on my life. I honestly didn't know what to think about it. I felt I shouldn't tell anyone close to me, so I kept it between the Lord and me for many years. I also knew if being a prophet was a call on my life, then I would

need some help from those with the same call. I started asking God to send His prophets into my life. Without warning, they began to appear from seemingly everywhere. Local prophets felt drawn to me and took me under their wing. God sent national-level, hidden prophets to mentor me. I even received one prophet's books in the mail for five weeks in a row, although I had never met him nor had I purchased any of his books. God heard my prayer and sent help! This was all encouraging and felt like a confirmation of God's call on my life.

Then in 2005, a divine appointment took place that accelerated the prophetic call on my life. I met a man named Lou Engle, who I had never heard of before. God orchestrated a meeting with him. When we met, Lou invited me to come stay with his community in Washington, DC. I knew this invitation was about more than just a nice little visit. I had a strong sense it could change the trajectory of my present life. Consequently, I was extra motivated to really hear from God if it was His will for me relocate near Lou Engle and his community in Washington, DC. Prior to making a decision, my wife and I were on a family vacation to Colorado Springs. I determined to seek the Lord on that trip for confirmation about DC. I had forgotten to take my cell phone on our trip and left it back in Illinois. During our vacation in the Springs, I had the same dream two nights in a row. In the dream, I saw that upon my return from my vacation in Colorado Springs, I would check my phone that was left behind and there would be 17 voicemails. I knew that the 17th voicemail would be the confirmation to go to DC with Lou Engle. The dream ended.

Amazingly, when I returned home from the trip, I found my cell phone and saw a notification of 17 voicemails. After

listening to the voicemails, the 17th message was from a man whom I hadn't heard from in a long time. He simply said he wanted me to know that God had called him to move to Washington, DC. God was shouting very clearly, "Go to Washington DC to connect with Lou Engle." Let me also note that the significance of the number 17 would eventually return in a profound way. Biblically and prophetically the number 17 means "overcoming victory." It's interesting to note that Noah was the 17th generation from Adam. In his generation, God "baptized" evil with a deluge of overcoming victory.

So in response to the confirmation, my wife Kelly and I went to live and pray with Lou's community for a very brief season in the fall of 2005. That brief season became a supernatural launching pad.

One night in DC, as I lay in bed, I clearly heard the audible voice of God. It resounded in the room and echoed in my ears. His voice said, "Line of Eternity" ... "Sons and daughters of Is-sachar." I fell asleep not understanding what it meant but filled with wonder by what I heard Him say. I had another dream. In this dream, Moses appeared to me. Looking at me he said, "Andrew, God can speak to you in many ways. One of the ways He can speak to you is by His voice." Knowing I had heard God's voice prior to falling asleep, I responded to Moses and said, "I just heard His voice!" Then with great sobriety and intensity in his eyes, Moses looked at me and said, "Do not disregard the voice of the Lord!"

After seeking the Lord about this encounter, I received some understanding. The Lord said, "Andrew, David's line is the line of eternity. It is the lineage of Christ. When it was time for Saul's kingdom to end and David's Kingdom to begin, I sent the sons

of Issachar to help. They were prophetic commanders with an understanding of the times and actionable intel for Israel to establish David's throne. Just like it was then, it is again. I'm raising up sons and daughters in the anointing of Issachar, who have a prophetic understanding of the times and actionable intel to help advance David's throne, Christ's kingdom—the line of eternity.”

I believe both my wife and I received an Issachar prophetic impartation from that encounter and through covenantally aligning with Lou Engle and his community. Lou recognized a clear divine alignment between us and has been a close friend and spiritual father ever since. That brief season in Washington, DC was a marking and transformational time. Almost immediately our dreams took on a whole new prophetic dimension. My wife began to dream about things hidden in darkness. Whether it was the secrets of people's lives or hidden areas of injustice in our city and region, she began to see it in her dreams at night. God began to give her dreams that included specific addresses and names of businesses that were fronts for drug and human trafficking operations. The accuracy of these dreams connected us with the FBI director of a human trafficking task force. After discovering the legitimacy of my wife's “intel,” the agent said, “We have worked with psychics but have never seen anything this specific.” Her response was “Jesus is my source.”

After our time in Washington, DC, my dreams took on new vivid clarity and detail. On several occasions, I would dream about complete strangers, including certain details of their lives, and within days I'd just happen to meet them. Those specific encounters dramatically changed the lives of those

people—and kept me in awe of God! One major area of dream intel I began to receive was the governmental realm. I noted that it was an interesting dynamic that God sent me to DC as a place of prophetic impartation, specifically for government. Another interesting point to note is that Lou shared with us that his most passionate prayer to God was how he could help turn America back to God. Looking back I see why God orchestrated our paths to cross, and even how Lou's prayer has fueled "Dreams to Save a Nation."

The following encounter was the first time I realized that God wanted me informed about national-level government. After my brief time in DC with Lou's community, Kelly and I returned to our home state of Illinois. I returned to my job as a district manager at a newspaper. One day at work, the Publisher of the newspaper made an announcement to have all of our offices clean and put in order because of a guest who would be visiting. We were told he was a senator and his name was Barrack Obama. I had never heard of him prior to that day. Mr. Obama arrived and went into the executive board room to meet with the heads of the departments. During their closed-door meeting, I left my cubicle to go use the restroom. Upon my return back to my desk, I saw Barrack Obama walking towards me to go use the restroom I had just left. I looked at him, and he looked at me. Nothing was said, and no smiles were exchanged. I had absolutely no context or previous information about who he was, but in that moment I immediately discerned something strangely powerful but dark within his eyes. Let me also mention that this encounter took place maybe 6 or 8 months before there was any mention of his potential run for president of the U.S.

That evening I fell asleep on my couch reading and praying. I had a very interesting dream. In my dream, I saw the man who I had made eye contact with earlier in the day. The man, Barack Obama, stood up over the nation as the next President of the U.S. Next, I was taken to a time in the future when I knew he was serving a second presidential term in office. In the dream, I was taken to a view from above the United States to see the consequences of his two terms. I saw the nation reeling from shock because they realized Obama was someone different than he had led them to believe. I was also made aware that secret and hidden regulations and agendas were advanced against national sovereignty and against Christian values and freedoms. I woke from the dream very concerned. Several months later when Barack Obama made an announcement to run for President I knew this dream was more than a coincidence. This dream was heavenly intel for prayer. As events unfolded, and Obama had two terms as president of the U.S., I realized just how prophetic that dream was. I honestly wondered why God would give that dream to me. God continued to clarify as time progressed.

Many years had passed since that original encounter in Washington DC. I maintained a connection with Lou Engle, while also doing a combination of work in the marketplace, college ministry, church staff, and leading a regional house of prayer in Illinois. During that time in 2007, I had a divine appointment with a powerful prophet who was also a secret intelligence agent for the United States. After we first met we exchanged contact info, and I didn't hear from him for several months. One specific afternoon I will never forget, while driving in my city, I turned onto a street called Washington. At that

very moment, I looked up to see an open vision. Across the sky, I saw a gold-link chain. At the sight of this chain, I instantly heard the Spirit say, “Andrew, I am going to use you to link the nation in prayer.” I parked my car and pondered what had just happened. Then without warning, the secret-agent prophet called me on my phone. He said, “Andrew, the Lord just appeared to me and said to let you know that He is going to use you to link the nation in prayer.” I was stunned at this powerful word. I even considered the fact that it happened on Washington St. God was confirming His call in multiple ways.

In 2017 I was given a dream to move to Colorado Springs and was told it was for the nation. This was not on my radar at all. Then I realized that Lou Engle had moved to Colorado Springs and I sensed God was inviting me to join with him again. Kelly and I prayed for confirmation. Shortly thereafter, Kelly had a dream that we needed to go to a specific church in Chicago, IL. In her dream, she saw that the pastor, whom we didn’t know, called us out of the crowd and prophesied about our transition. We decided to literally do what the dream showed her and we drove hours north to the church in Chicago that Kelly saw in her dream. It was a 3,000-member church and we had arrived for the very last service. At the conclusion of the service the pastor stood up, paused, scanned the room, and pointed at Kelly and me. Per the dream, the pastor called us up, prophesied over us about transition, and highlighted several keys that God would give us for the nation. As you might imagine we were amazed at God and confidently followed His voice to Colorado Springs.

Our years in Colorado Springs were marked with new levels of prophetic dreaming and spiritual warfare for the nation.

The Lord highlighted the interesting fact that back in 2005 on vacation in Colorado Springs He had given me the 17 voicemail dreams that confirmed our connection with Lou Engle in Washington, DC. I was stunned to see how God had providentially orchestrated a full-circle moment in the very place where I began to contend for the nation. Another interesting note is that Pikes Peak, located in Colorado Springs, is called “America’s Mountain.” I believe God was confirming that from this “high place,” we would contend for God’s “government” for America. One of the first dreams I received after moving to Colorado Springs was of a national prophet who walked up to me and said, “Andrew you are now in the WAR ROOM for the nation.” I knew from that dream that God was calling me to stand and fight for America!

Immediately after I gave the Lord my yes to stand in the “war room for the nation,” I entered a prophetic whirlwind as I had never experienced before. In an earlier dream from that time, I was asked to serve on President Trump’s main security detail with the weapons of prayer and the prophetic. I gave God my yes to serve Trump’s presidency through prayer and the prophetic, and the Lord took me seriously. He began to give many detailed dreams about President Trump, His “Cyrus” type call, and the importance of him fulfilling it. Additionally, God gave me dreams about something I had never heard of called “Q” (which happens to be the 17th letter of the alphabet). These dreams were so revelatory and prophetic because I would often have them before I had any knowledge of their meaning, only to watch in amazement as events confirmed their accuracy. This gave me incredible faith to trust what God was showing me! Much of this book will include dreams about

Donald Trump because the Lord has unfinished business with him.

This leads me to the next component of my journey. In 2018 I had a dream in which the spirit of prophecy came upon me and I said, "The most important thing for the body of Christ right now is learning to employ their angels." I continued to prophesy in the dream, "This has not been widely understood, but that is changing and God is teaching the broader body of Christ about the angels." I had several more dreams regarding the need to understand the angelic realm and our responsibility to employ their strength and ministry. One day shortly after these dreams I was on a prayer walk and happened to look up at the range of mountains all along Colorado Springs. Instantly I saw with eyes open the top of the mountain range filled with countless angels burning with fire. Immediately upon seeing them, I heard the Holy Spirit say, "Andrew, these angels have been stationed here since the height of the prayer movement in Colorado Springs. They have assignments for the nation and nations. Go up to the top of the mountains and ask me to assign them to help you." My first response was, "Am I allowed to do that?" At the witness of the spirit, I obeyed and hiked my way to one of the mountain peaks. I prayed and asked the Lord to assign His angels according to His will and purposes to help fulfill the calling and assignments on my life.

That night I returned home from the mountain range and fell asleep and had a dream. In the dream, a prophet walked up to me and said, "Look, the eyes of the angels are upon you." At that, I looked up in the dream and saw the sky filled with a myriad of radiant angels, their eyes blazing with fire. They were all staring at me and I knew by revelation that they were

waiting to hear God's word in my mouth. Upon waking I knew God was emphasizing the need to understand the battle for America, which needs the assistance of angel armies! For the next several years after this encounter, God taught me how to use prophetic revelation to weaponize prayer and employ the angelic.

My journey transitioned with a move to Texas in 2021. The Lord had directed us to begin training and equipping people in much of what we had been learning and doing for several years. While at a local gym one day, the Lord interrupted my workout and said, "Andrew, if you want to help awaken this generation, preach about the rise and fall of civilization." I was struck by the unusual word I had just heard. Immediately after the gym, I went to a coffee shop, still pondering what I heard the Lord say. While standing in line, I turned aside to see a young man sitting at a table with a stack of books. The top book was titled *The Rise and Fall of Civilizations*. I was shocked by the seeming coincidence. I walked over to ask him why he had that book. His response was that he was researching to see if there was a link between the moral and spiritual state of a nation and its rise and fall. My interest suddenly peaked. "Are you a Christian?" I asked him. To which he emphatically said *no*. Then in that moment again I heard the Lord's voice, "It's a late hour for America. Even the rocks will cry out. The unbelievers even know awakening is needed." I knew that God was giving me a cause to raise up prayer warriors and intercessors who will fight to save a nation.

When a nation is on the brink of collapse, or a civilization at the precipice of a great fall, placing dependence upon flesh alone is a vain hope for rescue. God stands through time as

the only One who is capable of delivering peoples and nations from certain demise and destruction. The Bible repeatedly tells this story. Opening the pages of the Bible is like opening a door into an invisible world that reveals key ways that God operates and intervenes to rescue, deliver, and save nations. Throughout the biblical narrative from Genesis to Revelation, a key way that God begins the salvation process for peoples and nations is through dreams and prophecy. I'll leave the reader with the joy of scriptural exploration to discover those specific times and places where God employs this key for humanity. You will be amazed to see from the biblical record that when God sets out to save a nation, He first sends forth His word among them! It suddenly stands up in the valley of the shadow of death! In that place, light suddenly dawns. In the dark of night, a dream breaks in. In the despair of oppressive conditions, a prophecy is uttered. At the entrance of His word, there is light!

When God sends His dreams and prophecies for a nation, the narratives of darkness are met by a superior force—the spirit of prophecy. Prophetic dreams invite us to see and hear the report of the Lord. They contain supernatural possibilities for seemingly impossible situations. Prophetic dreams are invitations for participation. For the purpose of this book, these dreams are invitations for intercession, decree, and declaration! Dreams and prophecy carry the essence of God's heart and His will for a people and nation—even in spite of their current condition. Dreams and prophecy are containers of grace. They are fuel for fire. They are propellants for perseverance. Dreams are strategic blueprints for victory—provokers of prayer and weapons for war.

“Dreams to Save a Nation” was written and compiled for the sole purpose of its title: to save a nation. Throughout my journey, I have recorded several prophetic dreams and revelations that have found their way into this book because they contain strategic supernatural intel and potent hope for America. I exhort you to engage this book in prayer and not as passive entertainment. Prophecy is a weapon, not just a wonder. Our agreement is a covenantal virtue that links us together in the power of the Holy Spirit. I pray that this book will help rally prayer warriors and intercessors on behalf of America. May this book invite you to stand with me in the “war room for a nation,” as we pray and believe that a nation can be saved in a day. Together, let’s decree that today is the day of salvation, that Jesus Christ will receive the rewards of His sufferings, and that America will be saved!

HOW TO USE THIS BOOK

30 DAYS OF PROPHETIC DECLARATIONS AND INTERCESSION

“Dreams to Save a Nation” contains content from my personal dreams. These dreams are NEVER meant to carry more authority or weight than the written scriptures of God’s word. All subjective prophetic revelation must be tested and weighed by the written word of God and the witness of the Holy Spirit. This doesn’t mean that every dream detail and scenario is observable in the pages of scripture. It does mean, however, that the interpretations we receive about what we dream must remain in alignment with the spirit and truth of God’s word.

1 Thessalonians 5:19–21 reads: “Do not extinguish the Spirit. Do not treat prophecies with contempt, but test all things. Hold fast to what is good.” (BSB) Too often we are extinguishing the Spirit’s fire by dismissing dreams. According to the prophetic scriptures, one of the main fruits of the outpouring of the Holy Spirit in the last days is prophecy, visions, and dreams. We must be those who are willing to look, listen, and respond to what God is saying. Dreams are such an amazing way for God to bypass our stubborn intellectual walls, mental strongholds, cultural biases, and perceptions of reality

We can see throughout scripture that dreams often contain poignant prophetic revelation. The insight provided in dreams throughout the scriptures was used to foretell certain events

in the unfolding plans of God. They were used to forewarn of danger. They were used to provide direction. They were used to bring people and nations into alignment with God's will—confronting evil and error. Dreams were used to help God's people obtain His promises and much more. What we do with our dreams matters. Prophetic revelation in dreams is not sent to be gawked at, but rather governed by prayer and intercession.

My heart in writing this book is to share dreams that I believe contain strategic insight and keys that, if attended to in prayer and intercession, can help save a nation from utter collapse. Additionally, "Dreams to Save a Nation" is meant to inspire faith-filled prayers that help revive and awaken a generation like never before to the glory of Jesus' name—in order that America fulfills its prophetic destiny! Some of the dreams I share are from years ago, even decades. There is no expiration date on revelation unless God says. I believe many of these dreams are still alive and offer an invitation to participate with God for their fulfillment.

This book contains 30 dreams. After each dream, I provide a brief interpretive commentary, three supporting biblical scriptures, and a written decree. Every dream, commentary, scripture, and decree is meant to help fuel faith-filled intercession for America! For those of you who have an "appetite" for more, I have included a link at the end of this book to a digital appendix that contains 12 other dreams, along with potent revelation and insight to encourage your faith and stir your intercession.

Some of the dreams I share in this book touch on controversial topics such as the Q movement, Donald Trump, elections, vaccines, etc. I want to be a faithful messenger to share what I

have received, but I understand if not everyone agrees or has a grid for everything presented. Such is the nature of controversial revelation. There is a certain narrative about Trump that I have received through hundreds of dreams, which will become clear as you read this book. Don't make the mistake of exalting Donald Trump as the Savior. That title belongs to Jesus Christ alone! Also, don't make the mistake of not recognizing those whom God anoints and appoints for His purposes. I exhort the reader not to "strain out a gnat and swallow a camel." In other words, if an idea or topic presented in a dream contradicts your point of view, experience, or understanding, don't get lost on that point and miss the overall heart to pray for the salvation of America. Our unity for the sake of America and the sake of Jesus' name is paramount! We need all hands on deck in this present hour. The future generations will be affected by what we do with the time we have right now! Let's look for every way to agree in faith for the salvation of America. I trust that in time God will shed more light on our current perspectives and bring correction, realignment, and clearer understanding where it is necessary.

I love Jesus. I want to be a faithful prophetic voice. I just want to be obedient to Him—to do my part and share what He has given me. I am not perfect, and painfully aware of just how dependent I am upon the grace of God! I wrote this book not because I have all the answers—I certainly don't! I wrote "Dreams to Save a Nation" because we are in desperate need of God in America. I look at my own children, and I can't imagine what kind of hellish future the enemy has for their generation if I do nothing now. More than that, I look at the sacrifice of Jesus, and I am provoked to believe that the Slain Lamb is worthy

to receive this nation and a generation, as the rewards of His sufferings. God forbid us to fall asleep during this time! I pray God fills you with fresh faith, hope, and love. I pray God baptizes us with fire and grants us an urgent spirit of prayer! May God rally the troops of Jesus Christ on behalf of America. Let “Dreams to Save a Nation” fuel the intercessors with revelation and faith for prayer in Jesus’ name!

SECTION 1

SCROLL OF CYRUS

DAY 1:

Timeline of Blessing Dream

May 19, 2019

In this dream I was told by the Lord that, in the month of July 2016, the church in America had reached a tipping point of prayer that shifted our nation into a “timeline of blessing,” and that Donald Trump was part of that blessing for our nation.

COMMENTARY

Upon waking up from this dream I couldn't remember it. Later that same morning I was driving my son to school in Colorado Springs right below Pike's Peak (America's Mountain). As soon as we drove by 'America's Mountain' we looked up and saw a massive rainbow appear in the sky. I asked my son if he knew what the rainbow represents and he said, “Yes, Daddy, God keeps His promises.” The moment he said this, I instantly remembered this dream from the night before. The way God connected the rainbow, a sign of His promise and covenant-keeping, and the remembrance of this dream was extremely powerful. I knew this was a sign from God! I then remembered that in the month of July 2016, I was with Lou Engle and other leaders in the body of Christ at an event called Azusa Now. It was an all-day prayer gathering for the nation. I believe this was a tipping point for America. Also, from this dream, I had a revelation that Satan had many plans to destroy America, but that God's blessing upon us was sovereignly going to work

all things for our good and take what was meant for evil and turn it for good and the saving of many souls.

BIBLICAL SUPPORT

“During the night, the mystery was revealed to Daniel in a vision, and he blessed the God of heaven and declared: ‘Blessed be the name of God forever and ever, for wisdom and power belong to Him. He changes the times and seasons; He removes kings and establishes them. He gives wisdom to the wise and knowledge to the discerning.’” (Daniel 2:19-21, BSB)

“This is what the LORD says: “In the time of favor I will answer You, and in the day of salvation I will help You; I will keep You and appoint You to be a covenant for the people, to restore the land, to apportion its desolate inheritances,” (Isaiah 49:8, BSB)

“If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.” (2 Chronicles 7:14, BSB)

DECREE

We decree that all wisdom and power belong to God. According to the wisdom and power of God, America has entered the times of blessing, favor, and salvation. We declare that God is responding to the heart and sound of His covenantal people according to the blood of Christ and the word of God. We now refute every attempt by the enemy to bring us out of the time of God’s favor and salvation.

DAY 2:

T in the Road Dream

October 15, 2020

In the dream I was walking on a road with a known prophet. As we were walking together in the same direction, suddenly we came to a T in the road. I was aware that the T was for Trump. At the T in the road, we could either go left or right. I knew this was not referring to left and right politically. A decision had to be made. Then, in the dream, the prophet I was with went left and I went right. I found myself immediately prophesying the following: "The prophets who go right are those who are willing to let God's light shine on the depths of darkness in our world, uncover conspiracies of evil, and take down deep-state operations in the nations. The prophets who go left are only willing to showcase the positive side of the supernatural, and won't even acknowledge that exposing conspiratorial darkness has validity." Then I said, "The prophets who go left are not in sin, but the prophets who go right will receive the greatest spoils of war."

COMMENTARY

This dream is a picture of what has happened within the prophetic church streams. Trump's presidency was an unavoidable T in the road in which a decision had to be made. Those who saw Trump's presidency as an anointed maneuver from heaven to dismantle demonic structures and stop evil will receive the spoils of war. I believe these spoils will take

the form of true justice against horrific evil and evildoers: a great awakening, spiritual revival, the mass salvation of souls, restoration of the republic of the United States, the restoration of constitutional order, financial jubilee, and kingdom solutions for countless problems created and manipulated by conspiratorial leaders in league with Satan.

BIBLICAL SUPPORT

“Then the messenger who had gone to call Micaiah instructed him, “Behold now, with one accord the words of the prophets are favorable to the king. So please let your words be like theirs, and speak favorably.” But Micaiah said, “As surely as the LORD lives, I will speak whatever the LORD tells me.” (1 Kings 22:13-14, BSB)

“Early in the morning they got up and left for the Wilderness of Tekoa. As they set out, Jehoshaphat stood up and said, “Hear me, O people of Judah and Jerusalem. Believe in the LORD your God, and you will be upheld; believe in His prophets, and you will succeed.” (2 Chronicles 20:20, BSB)

I will raise up for them a prophet like you from among their brothers. I will put My words in his mouth, and he will tell them everything I command him.” (Deuteronomy 18:18, BSB)

DECREE

We decree that the prophets in America will discern God’s hand on President Donald Trump for kingdom purposes. We declare that the prophetic movement is being purified to see and say all of that which the Lord reveals. We declare that God is breaking the ignorance, cowardice, and politically-correct

spirit that tempts the prophetic from speaking truth with love and boldness. We declare that the prophets will follow God alone, and as a result, will obtain the spoils of war!

DAY 3:

Cyrus 1655 Dream

October 2016

In the dream I saw myself standing in the Oval Office facing President Donald Trump. I looked at his hands and he was holding the Bible open to Isaiah 45, the passage about Cyrus. He looked into my eyes and said, "Please pray for me." I knew instinctively that Isaiah 45 was key for President Trump. In the dream, I was immediately taken in the spirit to a hidden dark room beside the Oval Office. I saw a former president leading a secret meeting of people wearing dark hoods. This man in a dark hood spoke up and said, "We must establish the 1655 prayer movement to stop Trump." I had instant discernment that this was not a Godly prayer movement, but rather witchcraft. The hooded group of individuals all responded with evil agreement.

Immediately from that scene of the dream, I found myself in the next scene driving on a street, prophesying to the church of America. I boldly and urgently declared, "If we allow the 1655 prayer movement to succeed, then the millennial generation will truly know what it means to come under slavery."

COMMENTARY

After researching 1655, I discovered two significant things that I believe the Holy Spirit was connecting in this dream.

First, I discovered that in the year 1655, the first black man, John Casor, was legally declared a slave in America, for life. Secondly, in the year 1655 The Penruddock Uprising, a coup attempt in England to place the nation under the rule of the monarchy (a demonically aligned bloodline), was exposed and destroyed, at least for a time. To unpack all of this would require much more space and time. I believe the point God wanted me to understand is that the “1655 prayer movement” I saw in the dream is parabolic of a real demonic effort that was initiated to keep and make slaves of Americans by stopping Trump from fulfilling his Cyrus-type scroll (Read Isaiah 45). Another interesting note about this: I discovered that there is a book of witchcraft that occultists use simply titled “1655.”

I believe this dream was a prophetic marker to point us to what our present-day battle for America is like. The enemy, Satan, wants to enslave the millennial generation for life through deceptive laws and contracts and continue to rule over us through human bloodlines who have “entered into a covenant with death and made agreements with the realm of the dead.” (Isaiah 28:15) We must continue to pray for the fulfillment of God’s Kingdom purposes and the Isaiah 45 scroll fulfillment through President Trump and resist the devil and his 1655 movement of witchcraft.

BIBLICAL SUPPORT

“This is what the LORD says to Cyrus His anointed, whose right hand I have grasped to subdue nations before him, to disarm kings, to open the doors before him, so that the gates will not be shut: ‘I will go before you and level the mountains; I will break down the gates of bronze and cut through the bars

of iron. I will give you the treasures of darkness and the riches hidden in secret places, so that you may know that I am the LORD, the God of Israel, who calls you by name.” (Isaiah 45:1–3, BSB)

“I will raise up Cyrus in righteousness, and I will make all his ways straight. He will rebuild My city and set My exiles free, but not for payment or reward, says the LORD of Hosts.” (Isaiah 45:13, BSB)

“They bribed officials to work against them and frustrate their plans during the entire reign of Cyrus king of Persia and down to the reign of Darius king of Persia.” (Ezra 4:5, NIV)

“The kings of the earth take their stand And the rulers conspire together Against the LORD and against His Anointed.” (Psalm 2:2, NASB)

DECREE

WE DECREE that the 1655 movement of witchcraft will not succeed. We decree that Donald Trump is a type of Cyrus for such a time as this. We declare that by God’s sovereign hand, Trump will succeed in helping rescue this present generation from the slavery of dark agendas and evil rulership. We decree that the counsel of the elite and occult rulers will not stand against the Lord and His anointed. Both Israel and the bride of Christ will see the goodness of the Lord in the land of the living! We break the scepter of the wicked off the land allotted to the righteous! God bless America in Jesus’ name!

DAY 4:

This Is That Dream

February 22, 2017

In the dream I walked into the kitchen at my parent's house. Donald Trump was sitting in the kitchen reading the Bible. I looked down at what he was reading and the pages were opened up to Isaiah 45. Trump looked at me and then said, "This is that." Instantly when he said it I knew by revelation he was referring to himself as Cyrus.

As the dream continued, I was still in conversation with Trump. I began to speak over him that His presidency is a fulfillment of many prophecies. He agreed with me and told me that before he became POTUS he was a police officer. He said, "Just as I had the authority to enforce law and order, I have come into this office with the authority to bring law and order. He then began to show me places in the Old Testament (even in Isaiah 45) where the Law brought order to society and nations. He said He was going to restore the Law of God in the land.

Then I began to share with President Trump many prophetic dreams that I had received over the years about the United States, God's covenant with us, and why Trump's presidency had been appointed by God for such a time as this. Trump was very interested in these prophetic dreams. Then I looked at him and said, "This must be shared with the 222 conference." He looked at me and said, "I am very thankful for all of you at 222. You are some of the main prophets for me." I encouraged

Trump to come and join us because we had the key of David (Isaiah 22:22) and our agreement together would impact the world. He agreed to join.

COMMENTARY

I had regularly been attending conferences called 222 on 2/22 for several years. These conferences were established through Lou Engle and were largely prayer assignments for the nation based on Isaiah 22:22—the key of David. The morning I woke from this dream, I was in Colorado Springs on 2/22/17 and shared this with Lou Engle and Dutch Sheets. I believe the 222 team are those who use the key of David—our authority in Christ—to open and close doors, permit or forbid, bind and loose according to God’s word!

BIBLICAL SUPPORT

“In the first year of Cyrus king of Persia, to fulfill the word of the LORD spoken through Jeremiah, the LORD stirred the spirit of Cyrus king of Persia to send a proclamation throughout his kingdom and to put it in writing as follows: ‘This is what Cyrus king of Persia says: “The LORD, the God of heaven, who has given me all the kingdoms of the earth, has appointed me to build a house for Him at Jerusalem in Judah. Whoever among you belongs to His people, may the LORD his God be with him, and may he go up.”’” (2 Chronicles 36:22–23, BSB)

“I will place on his shoulder the key to the house of David; what he opens no one can shut, and what he shuts no one can open.” (Isaiah 22:22, BSB)

“‘This is the covenant I will make with the people of Israel after that time,’ declares the LORD. ‘I will put my law in their

minds and write it on their hearts. I will be their God, and they will be my people.” (Jeremiah 31:33, NIV)

“If the foundations are destroyed, What can the righteous do?” (Psalm 11:3, BSB)

DECREE

We decree that Donald Trump has been anointed like Cyrus to help restore the foundations of law, order, and freedom. We declare that the prophetic intercessors are being mantled with the Key of David in assistance to President Donald Trump, to shut evil doors, and open up righteousness and justice into this nation and the nations of the Earth. We utilize the key of David in the authority of Jesus Christ to break the witchcraft and satanic plots to destroy America. Let the angels now move in fury to establish law and order, to administrate the justice and righteousness of God in the land!

DAY 5:

Main Security Detail Dream

July 2017

In the dream a covenantal friend and I were invited by President Trump and his team to be his main security detail. I walked with Trump in the dream into light rooms and dark rooms. I knew that everywhere Trump had access, I could also go. I was aware that the light rooms were God's plans, and the dark rooms were the devil's plans. I looked down to my waist to see what kind of gun I had on my belt, but I couldn't find a gun. I then said, "If I'm going to be part of Trump's main security detail, then I need a weapon." Then suddenly the Spirit of the Lord came upon me and I proclaimed, "Oh, my weapons are prayer and the prophetic!"

COMMENTARY

After this dream, I prayed and told God I was willing to be "main security detail" and would employ my weapons of prayer and the prophetic on behalf of God's purposes for President Donald Trump. I asked the Lord to show me the light rooms and the dark rooms. I and three brothers in Christ made a covenant to pray for Trump and God's purposes for him. From 2017 to 2020, between the four of us, we had nearly 100 dreams related to Trump and were given many specific points of intel to pray about regarding His presidency, demonic plans, the patriots, America, and the nations.

BIBLICAL SUPPORT

“But Jehoshaphat also said to the king of Israel, ‘Please inquire first for the word of the LORD.’” (1 Kings 22:5, BSB)

“But Jehoshaphat asked, ‘Is there no prophet of the LORD here? Let us inquire of the LORD through him.’” (2 Kings 3:11, BSB)

“But if they *are* prophets, and if the word of the LORD is with them, let them now make intercession to the LORD of hosts...” (Jeremiah 27:18a, NKJV)

DECREE

We decree that the prophetic intercessors are being positioned to be the “main security detail” for President Trump. We recognize the anointing of God upon him for kingdom purposes, similar to that of Cyrus. We remove all veils of witchcraft that seek to hide the plans of the enemy. We declare access into every dark room, for we are not ignorant of the enemy’s devices. We declare access into every light room to know the purposes and plans of God for Trump and America so that we may pray and decree it so! We receive the weaponry of prayer and prophetic grace to stand guard and secure President Trump to fulfill the call of God for America and all kingdom purposes among the nations.

DAY 6:

The Cup of Trump Dream

May 10, 2021

In my dream I was standing in a line with Gen. Michael Flynn and President Donald Trump. I held in my hands a cup of red juice. I had a knowledge that the red drink was the representation of a powerful but hidden plan. I knew by revelation that this hidden plan was for the deliverance of America from powerful forces of evil. So in the dream, President Trump leaned over to me and said, “What is in your cup?” I responded and said 3 letters which I don’t recall. I knew these were code letters for a plan to restore America and eliminate the deep state. I knew when I said the 3 code letters that if Trump was aware and on board with the plan, he would absolutely know exactly what it meant. Donald Trump looked at me very intently, then reached his hands into my cup and took out a handful of the red juice and he drank it. Immediately I understood that Trump was completely on board with this plan and was “preparing to drink the cup.”

COMMENTARY

I still can’t recall any of the specifics about the three letters. I don’t think they are the point of the dream. More importantly, I believe that God wants us to understand that there is a plan in place, and Donald Trump is fully involved in the plan. This plan is the scroll God has ordained for Trump and he will drink

the cup. I believe this dream to be very parallel spiritually with the cup of Christ, in that, when Trump “drinks the cup” it will be a fulfillment of a heavenly plan to destroy current systems of evil and darkness and liberate multitudes.

BIBLICAL SUPPORT

“You will drink the cup I drink and be baptized with the baptism I am baptized with.” (Mark 10:39, NIV)

“This is what the LORD, the God of Israel, said to me: ‘Take from My hand this cup filled with the wine of my wrath and make all the nations to whom I send you drink it...’” (Jeremiah 25:15, NIV)

“Do not call conspiracy everything these people regard as conspiracy. Do not fear what they fear; do not live in dread. The LORD of Hosts is the One you shall regard as holy. Only He should be feared; only He should be dreaded.” (Isaiah 8:12–13, BSB)

DECREE

We decree that God’s cup of deliverance and wrath for President Trump and patriot team will see the destruction of evil systems and the rescue of nations from their control. We decree that the evil conspirators shall now live under the dread of God as He enacts His plans against them. We decree that the plan, and Trump’s part in it, will fully succeed and be protected in Jesus’ name. As intercessors, we pray for God’s grace, strength, and perseverance for Trump to drink the cup, for the sake of God’s purposes in America and the nations, in Jesus’ name!

DAY 7:

Ezra Dream

November 10, 2020

In the dream Lou Engle said that the church in America and the U.S. government were calling upon me to find and deliver the word of the Lord for this present time. I knew that Lou was praying for me to receive the word of the Lord by the time I was to arrive at an important convention to speak. I was really searching after the Lord to hear His word, but I couldn't discern what the word of the Lord was. I decided to take a break and found myself driving to a coffee shop called Fusion Brew. I then sat down at a table and a Bible dropped from above and landed open to the book of Ezra chapter 1. Ezra's chapter seemed to leap off the page and I knew by revelation that this was the word of the Lord for this time.

COMMENTARY

When I woke from this dream, I heard the Spirit of the Lord say, "I brought you to Fusion Brew to let you know that this present hour is like the fusion of two time periods. As it was in the days of Ezra 1, so it is again." King Cyrus is mentioned immediately in Ezra chapter 1. I believe President Trump is a type of present-day Cyrus. Both the church and the government need to understand that President Trump will do today, for the nation and the kingdom of God, what Cyrus did in the context of Ezra 1.

BIBLICAL SUPPORT

“In the first year of Cyrus king of Persia, in order to fulfill the word of the Lord spoken by Jeremiah, the Lord moved the heart of Cyrus king of Persia to make a proclamation throughout his realm and also to put it in writing...” (Ezra 1:1, BSB)

“When the LORD restored the fortunes of Zion, we were like those who dream.” (Psalm 126:1, ESV)

“What has been will be again, what has been done will be done again; there is nothing new under the sun.” (Ecclesiastes 1:9, BSB)

DECREE

We decree that as it was in the days of Ezra, so it is again! There is a fusion of time happening where God is restoring His people from captivity. We declare that Donald Trump, as a type of Cyrus, is anointed to open up gates and doors for the rescue and restoration of God’s people, for the redemption of America, and for the deliverance of the nations from the hand of evil systems of slavery. We decree that the temple of the Lord is being rebuilt with living stones in Christ Jesus—in order for the glory of God to cover the earth as the waters cover the seas. We say let the structure of Babylon now fall! We decree that the fortunes of America and her people are being restored and we shall be like those who dream!

DAY 8:

Take Down the Hitlers Dream

August 8, 2017

In this dream, my covenant friend saw an assignment brief handed to us by President Trump. Upon reading the brief, my friend said, “We are being called to take down the Hitlers of this generation.”

COMMENTARY

I believe this dream was not only highlighting a prayer assignment for us, but also revealing the true purpose of President Trump’s call. He was placed in office and anointed by God to take down the tyrants and evil rulers of this present day—many of whom are not even known to the public or in positions in the public eye. These are nefarious controllers behind occult veils. Our call is to align with that understanding and pray for Trump’s success so that the “Hitlers” of this generation will be removed and their evil, antichrist plans thwarted.

BIBLICAL SUPPORT

“Why do the nations rage and the peoples plot in vain? The kings of the earth take their stand and the rulers gather together, against the LORD and against His Anointed One: ‘Let us break Their chains and cast away Their cords.’ The One enthroned in heaven laughs; the Lord taunts them. Then He rebukes them in His anger, and terrifies them in His fury: ‘I have installed My

King on Zion upon My holy mountain.” (Psalm 2:1–6)

“So they hanged Haman on the gallows he had prepared for Mordecai. Then the fury of the king subsided.” (Esther 7:10, BSB)

“Your covenant with death will be annulled; your agreement with the realm of the dead will not stand. When the overwhelming scourge sweeps by, you will be beaten down by it.” (Isaiah 28:18, NIV)

DECREE

We decree that, with the help of the intercessors, God’s assignment for President Trump will be fulfilled. We decree that the Hitlers of our day will be exposed and destroyed. We decree that every depopulation agenda is exposed and destroyed. We decree that the tyrannical death plot over the children of God is being reversed through an Esther anointing upon the intercessors. Let Haman hang on his own gallows. Let Hitlers everywhere be disarmed, disempowered, and destroyed in Jesus’ name! Let every covenant with death be annulled by the blood of Jesus!

DAY 9:

The Super Bowl Dream

January 2022

In the dream I saw two teams playing football in the Superbowl. The first team was called the Patriots, and the 2nd team had no recognizable name. At halftime, a huge military plane landed on the field, and I saw President Trump walk off the plane to join the Patriots team. At the beginning of the 2nd half of the game, Trump gave the kick-off, but it was an on-side kick (which is a play used by football teams to maintain possession of the ball). It looked like the opposing team was going to get the ball, but Trump actually took possession of the football and ran it into the endzone for the touchdown. I saw that this was the winning score and the Patriots won!

COMMENTARY

I believe this dream may be a picture of what has taken place with the 2020 election. I believe it appears that Trump conceded when in fact he still has control. I believe the military at some point will help get Trump back on the “field” to run the ball into the end-zone, which could be interpreted as the restitution of a stolen election. There may possibly be some sort of symbolism with the “nuclear football,” also known simply as “the football.” The President of the United States is given “the football” which is a briefcase that contains the authorization for nuclear attack. I believe this dream lets us know that Biden in

office represents the on-side kick to the enemy, but the possession of the football is in the hands of Trump and the Patriots. The Patriots have control and Donald Trump will win against the opposing force!

BIBLICAL SUPPORT

“Those who had been in ambush made a sudden dash into Gibeah, spread out and put the whole city to the sword.” (Judges 20:37) BSB

“And the men in the ambush rose quickly out of their place, and as soon as he had stretched out his hand, they ran and entered the city and captured it. And they hurried to set the city on fire.” (Joshua 8:19, ESV)

“When the men of Ai turned and looked back, the smoke of the city was rising into the sky. They could not escape in any direction, and the troops who had fled to the wilderness now became the pursuers...” (Joshua 8:20, BSB)

DECREE

We decree that the second half of “the Super Bowl” will be won by the surprise “touchdown” of Donald Trump, military, and Patriots. We declare that an ambush is being set to trap and overrun the Deep State opposition who are playing against America and the Patriots. We declare that Donald Trump and Patriots have possession of the “nuclear football” and control of military power to protect America and remove the Deep State opposition, along with their nefarious plans to start world war and depopulate the Earth! We decree that the enemy will not escape, and the hunters have now become the hunted, in Jesus’ name!

DAY 10:

Aftermath Dream

October 2019

In the dream I saw the future and the aftermath of the time when Trump and U.S. military operations were finished restoring government control back to the people. The first thing I saw was a large blue flag with white stars around the border, and in large letters it said, “Who is Dope Now?” Then I saw a 2nd red flag with white stars and large letters that also said, “Who is Dope Now?” I immediately understood that the signs meant that Trump, his team, and “We The People” had the clout, the power, and control returned to us. In the next scene of the dream, I saw a file with a chart in the file. The chart was removed from the file and shown to me. It was a list of every hidden military and presidential operation during Trump’s time in office. I didn’t see one of them by name specifically, but I did see a list of several military operations that had been used to sweep out the Deep State and Satanic controllers. I was very excited to see that each of the operations listed had a green checkmark next to it, signifying that all operations were completed and successful!!

In the next part of the dream, I was walking with President Trump. I knew we were in the future. I knew that the Clintons, Obamas, and unknown Deep State controllers were gone and justice had been served. I was watching the military peacefully transfer control and power to the people. Trump looked at me

and said, “The patriots are in control now.” I knew that I was walking down a hallway into the future, unafraid and saying to myself, “This changes everything for our nation and the world for the rest of my life. We had no idea how much liberty and freedom we didn’t have, but now do.”

COMMENTARY

I believe God gave this dream as a word to sustain the intercession and faith of God’s people. It’s possible that the red flag and blue flag represent the two political parties that both conspired in different ways to stop Trump, but will fail. I believe God wants us to understand that military operations are the reason that things have taken a long time. Thorough military precision is required to remove a deeply embedded enemy, and this takes time. The beautiful thing about this dream is that I was present to see the results and consequences of Trump’s presidency and cooperative military operations for the freedom of “We The People” of the United States. It will be almost surreal when we arrive at the place of completion for this major phase of God’s plan. I believe we will be like those who dream.

BIBLICAL SUPPORT

“He will yet fill your mouth with laughter, and your lips with a shout of joy. Your enemies will be clothed in shame, and the tent of the wicked will be no more.” (Job 8:21–22, BSB)

“When the storm has swept by, the wicked are gone, but the righteous stand firm forever.” (Proverbs 10:25, NIV)

“The eternal God is your refuge, and underneath are the everlasting arms. He will drive out your enemies before you, saying, ‘Destroy them!’” (Deuteronomy 33:27, NIV)

DECREE

We decree that America shall be saved from her enemies! We decree that God is our refuge and we are underneath His everlasting arms. He is driving out all of our enemies and destroying the Deep State. We decree that the fortunes of America and the prophetic destiny upon this land shall be restored, and we will be like those who dream. We declare that Donald Trump, the military, and the Patriots are being aided by angel armies to restore power and control of America back to "We The People." We decree that every military operation conducted by true patriots shall succeed and objectives shall be completed.

SECTION 2

LET JUSTICE ROLL DOWN

DAY 11:

Q and Praying Medic Dream

March 18, 2018

In the dream I found myself prophesying out loud, “If the church would listen to a man named Praying Medic speak about something called Q, then the church would really understand what is going on and know how to pray.”

COMMENTARY

This dream is brief yet incredibly profound. It’s very important for you to know that I had never heard of anything called “Q” or “Q Anon” at the time of this dream. Though I had heard of a man using the pen name Praying Medic, I had no knowledge that this man had been instructed by the Lord to decode posts from an anonymous online user named Q. I never personally spoke with Praying Medic until April 2023, when God revealed one of the most incredible storylines of confirmation about a man we refer to as Mr. Miyagi (watch “Johnny Enlow Unfiltered,” Episode 56, on the Elijah Streams Channel of Rumble for the full story). For the next several years, God gave me dreams that validated the legitimacy of Q as some sort of military intelligence operation. Early on, God let me understand that Q was never to be my source of revelation, only a tool of insight, clarity, and confirmation. Additionally, Q helped awaken a sleeping church to the reality that unseen evils needed to be confronted and overcome.

BIBLICAL SUPPORT

“He said, ‘Listen to my words: “When there is a prophet among you, I, the LORD, reveal myself to them in visions, I speak to them in dreams.”’” (Numbers 12:6, NIV)

“He said, “The knowledge of the secrets of the kingdom of God has been given to you, but to others I speak in parables, so that, ““though seeing, they may not see; though hearing, they may not understand. (Luke 8:10, NIV)

“Incline your ear and hear the words of the wise—apply your mind to my knowledge—for it is pleasing when you keep them within you and they are constantly on your lips. So that your trust may be in the LORD, I instruct you today—yes, you. Have I not written for you thirty sayings about counsel and knowledge, to show you true and reliable words, that you may soundly answer those who sent you.” (Proverbs 22:17–21, BSB)

DECREE

We decree that God is raising up prophetic voices who are having dreams and visions to reveal truth. We decree that the military intelligence operation of Q will fully succeed in the plans to bring light to darkness, and truth and awakening in America. We declare that Q is helping break the ignorance of the enemy’s devices in our day, and helping add wisdom and understanding to intercessory prayer. We decree demonic veils, the refuge of lies, the hiding place of evil, and the Luciferian Deep State activity will be exposed and destroyed, in the name of Jesus!

DAY 12:

Everything Will Shut Down Dream

March 9, 2020

In my dream an Old Testament prophet came to me who I sensed was Daniel. This prophet said, “I have been a prophet to Lou Engle for many years.” He then showed me a written document and said, “These things were written long ago about the times you are now in.” I looked at the document and it said that media will shut down, power grids will shut down—everything will shut down. As I read the document, I had a supernatural wisdom and revelation that this word concerning our times was not only showing things about what would take place in the natural, but would also signify that demonic powers over media, demonic power grids, and the demonic sway over all spheres of society would be shut down.

COMMENTARY

This dream was given to me right before any of the shut-downs or closures began like we experienced through the covid pandemic, confirming to me that this is a significant message for us. I asked Lou what Old Testament prophet was the main prophet who has spoken to him and impacted him the most over the years, and without hesitation, Lou said, “Daniel.” He believes this was Daniel coming to me in the dream. What can we glean from this revelation? I believe we are in a Daniel moment in time. We can have faith right now that the fire that is

being turned up 7 times hotter is going to manifest Christ to an entire unbelieving world. The roaring lions will be the very tool to expose the power of God.

The Book of Daniel is a scroll of governmental dominion. Daniel was a prophet in the times of Cyrus—times of fulfillment of prophecies, a great awakening, and new beginnings. I believe that the praying Ekklesia is employing the archangels to war in the heavens to establish God's will in the Earth. Kingdoms are shifting. Seasons are dramatically changing! Yes, I believe we are about to see a massive shutdown on multiple levels. It has been decreed long ago, and the time is now. History is in the making right now! As we step into this furnace and den of lions, know that these things will not harm us, but it is our greatest hour of breakthrough!!

BIBLICAL SUPPORT

“I hereby decree that in every part of my kingdom, men are to tremble in fear before the God of Daniel: For He is the living God, and He endures forever; His kingdom will never be destroyed, and His dominion will never end. He delivers and rescues; He performs signs and wonders in the heavens and on the earth, for He has rescued Daniel from the power of the lions.’ So Daniel prospered during the reign of Darius and the reign of Cyrus the Persian.” (Daniel 6:26–28, BSB)

“He changes the times and seasons; He removes kings and establishes them. He gives wisdom to the wise and knowledge to the discerning. He reveals the deep and hidden things; He knows what lies in darkness, and light dwells with Him.” (Daniel 2:21–22, BSB)

“And there was war in heaven: Michael and his angels

warred against the dragon, and the dragon and his angels warred back. But the dragon was not strong enough, and no longer was any place found in heaven for him and his angels..." (Revelation 12:7, BSB)

DECREE

We decree that the Scroll of Daniel is unfolding in our day. We decree that God is removing kings and raising up new ones. We decree that Michael and the archangels, in alignment with the words of the saints, are now executing the written judgments against the rulers of darkness over the nations! We decree that a shutdown to demonic power and a revival of righteousness and justice to America and the nations is being released, in Jesus' name!

DAY 13:

The God of the Storm Dream

September 1, 2022

In my dream I found myself riding in a vehicle with “President” Biden and other high-level players on the governmental scene. I overheard them talking about their alignment with Deep State agendas and plans (I was aware that their goal was to destroy America) and I rose up in a fury. With a prophetic intensity, I declared to them, “Have you not heard of the God of the storm?” I continued, “What He will unleash from Heaven against you will not be stopped.” At that point in the dream, I recognized that Biden and the other leaders realized I could be trusted and they took off their faces.

I was shocked, and I realized that these governmental leaders were actually pro-American and God-fearing people operating an intentionally misdirecting show of political theater. One of the political leaders who took his face off was actually Charles Bronson underneath the mask. I heard the Spirit say, “I am giving the enemy his death wish.” After that, I was taken into a secure location. I saw that these patriotic leaders posing as members of the current administration were actually controlling and manipulating things in order to show the evil of the hidden agendas of the Deep State.

When I was in the secure location I saw President Trump. He was being handcuffed, but looked at me with a huge smile on his face and, with a wink of his eye, I knew this was an

intentional part of the show. I also knew by revelation that Trump is completely insulated and protected. Then in the dream, when I was in the secure location, patriots entrusted me with certain points of intel that the intercessors needed to pray through. Here are the points I was given in the dream:

- Pray for protection during future riots and protests.
- Pray for massive lawsuits to flood the justice system to take down the media juggernaut.
- Pray to break the delay of wrongful suits against patriot leaders.
- Pray against the delays and corruption within the Secret Service and 3 letter agencies.
- Pray for the storm of the Lord to destroy evil systems.

COMMENTARY

This dream was stunning in its detail. When I had this dream, the thought of Trump ever being arrested or indicted had never crossed my mind. So as events have unfolded and Trump was indicted, this dream now carries more weight. In fact, I believe God wants us to understand that much of what we are seeing is part of a plan and veiled operation. The prayer points I was given in the dream are clear points that we need to heed.

BIBLICAL SUPPORT

“Surely the Sovereign LORD does nothing without revealing His plan to His servants the prophets.” (Amos 3:7, NIV)

“So he pretended to be insane in their presence; and while he was in their hands he acted like a madman, making marks

on the doors of the gate and letting saliva run down his beard.”
(1 Samuel 21:13, NIV)

“One day Jesus was praying in a certain place. When He finished, one of His disciples said to him, ‘Lord, teach us to pray, just as John taught his disciples.’” (Luke 11:1, NIV)

DECREE:

We decree that the God of the Storm is now releasing his thunders, lightnings, and whirlwinds against forces of evil and darkness operating throughout America. We press past the veil of confusion, political theater, and disinformation—into the revelation from heaven. We see that God is working things for the good and declare that Donald Trump is insulated from all evil, tyrannical prosecution. We decree peace to all riots, protests, public demonstrations of outrage, and anger. We decree that even the wrath of man will praise God! We decree that the Deep State media juggernaut is being demolished by class action lawsuits and mass public awakening. We decree that the favor of God will be with patriots who have been wrongly prosecuted, imprisoned, and/or convicted of crimes. We decree that all of the secret service and intelligence agencies who operate by corrupt means, and who have brought delay to justice, are now being exposed and removed in Jesus’ name!

DAY 14:

The Near Future Dream

December 5, 2020

In the dream I knew I was somewhere in the present time of December 2020. It appeared that Trump had just “lost” the election. As I stood in a room, suddenly a government agent took me into the future. He brought me into the Oval Office of the White House. When I walked into the Oval Office, I knew I was in a place in time called “the near future.” I came up to the President’s desk and Donald Trump was sitting behind it. He looked at me and said, “Andrew, everything the Deep State tried failed. The fraud failed. It all failed and I am still your President.” Then I was taken from the room and brought back to the present time.

COMMENTARY

Prior to this dream, a covenant friend had a dream that he and I were going to places in the future by a supernatural time machine. In his dream, the Lord told him that, “Those who have seen the future have the authority to bless the present.” I knew the previous dream I had of being in a place called “the near future” was a powerful prophetic weapon to declare and spiritually war with in the present, in order to see Donald Trump overcome the fraud launched against him. This dream of being in “the near future” was so vivid and real that I knew I was there already in the spirit-realm. I know that God wants us

to speak into this present time with a revelation of what He has for us in the future!

BIBLICAL SUPPORT

“But he was a prophet and knew that God had promised him on oath that He would place one of his descendants on his throne. Foreseeing this, David spoke about the resurrection of the Christ, that He was not abandoned to Hades, nor did His body see decay. God has raised this Jesus to life, and we are all witnesses of it.” (Acts 2:31, BSB)

“I make known the end from the beginning, from ancient times, what is still to come. I say, ‘My purpose will stand, and I will do all that I please.’” (Isaiah 46:10, NIV)

“As it is written: “I have made you a father of many nations.” He is our father in the presence of God, in whom he believed, the God who gives life to the dead and calls into being what does not yet exist.” (Romans 4:17, BSB)

DECREE

We decree that the future and the present belong to God. Seeing the near future, we now bless the present! We call the things we see by God’s Spirit into the existence of the present. Donald Trump is still the president of the United States. All fraud has failed to achieve its aim! God has made known His plan, and His purpose will stand. We decree that God’s will is to raise up President Trump as a servant of justice and righteousness in the hands of God!

DAY 15:

Operation Fury Dream

April 6, 2021

In my dream I saw President Trump all wrapped up in the American flag. Suddenly, I saw a red cloud or mantle coming down upon him. I knew in the dream that this was an anointing from God that was coming upon him. It seemed like this was a present moment in time or the very near future. Somehow in the dream, I was able to jump into the cloud of anointing that had come upon President Trump, and immediately I was hit with the same anointing he was being given. I knew that this anointing was called “fury.”

As soon as the anointing hit me, it was so strong and powerful. The only thing I could do was roar with a supernatural roar that would not let up. Every vein in my head was bulging, and every fiber in my being felt electrically charged with fire and power. It was impossible for any human to create this sound or be able to sustain the power of the roar, but it continued to flow through me. At that moment in the dream, I realized that what God was placing on President Trump, no man could conjure up. I knew it was a manifestation of God’s fury, justice, and vengeance against evil.

As I stood under the anointing with President Trump, I began to have open visions. I saw that what the world has seen so far of President Trump was the tame version of what God was about to do through him. What we have seen is only a drop in

the bucket of the anointing and power of God that is about to be released upon him to do a historical work of justice. I knew that the anointing was so powerful that its ability to produce justice would extend throughout the nations of the earth and last for multiple decades. It was an anointing that I knew evil men and hell itself are terrified of.

While I continued to stand under this anointing and roar, another vision came to me. I saw an eye and ear upon the American flag. I prophesied in the dream, “Everything is going according to plan. All things have happened for this purpose—that now America can heed the truth. No words spoken by President Trump will fall to the ground. He will be anointed with a spirit of prophecy and favor, in which those whom he blesses will be blessed, and those whom he condemns will be condemned.” While I looked at the eye and the ear, I knew that multitudes would be awakened to the truth they had not been ready for until now.

Finally in the dream, I said out loud, “We have entered the time of Operation Fury.” When I said this, I realized that both the military and the angels of Heaven were working in tandem to accomplish God’s fury against His enemies. It was Heaven on Earth to accomplish God’s will.

COMMENTARY

It should be understood that when I saw God bringing justice against evil, it had to do with both spiritual powers and their human counterparts. Specifically, I knew in the dream that the major thrust of God’s fury would be against the spirit of Jezebel and Moloch and would expose human and child trafficking and sacrifice—holding the human agents involved responsible. “Operation Fury” is now an operation that I am

personally organizing intercessors and prayer warriors to pray for its success according to this word!

BIBLICAL SUPPORT

“He unleashed His fury against them, wrath, indignation, and calamity—a band of destroying angels.” (Psalm 78:49, BSB)

“On that day the LORD of Hosts will be a crown of glory, a diadem of splendor to the remnant of His people, spirit of justice to him who sits in judgment, and a strength to those who repel the onslaught at the gate.” (Isaiah 28:5–6, BSB)

“As fire consumes a forest, as a flame sets the mountains ablaze, so pursue them with Your tempest, and terrify them with Your storm.” (Psalm 83:14–15, BSB)

DECREE

We decree that Operation Fury has commenced! We decree that a band of destroying angels is releasing the fury of God against the works of the devil, destroying human and child trafficking and the selling of souls among the nations. We decree that Trump is a type of Cyrus who has been taken by the right hand of God to fulfill the purposes of God for this time in the nations. We decree that what Donald Trump has spoken according to the will of God will not fail, nor fall to the ground. We decree that evildoers are being pursued by the storm of the Lord and the fury of His fire!

DAY 16:

Doom for Touching the Children Dream

January 1, 2023

Lying in bed, I clearly heard the Lord say, “The nations have not understood the structures of witchcraft governing from secret.” After a little while of pondering what I had heard, I suddenly heard the Holy Spirit say, “I am coming to destroy the scepter of the wicked for the sake of the children.” Then I fell asleep and went into a dream.

In my dream I had covertly infiltrated a witches’ coven that looked more like a fancy hotel with a conference center. None of the so-called witches looked like I thought they would. In fact, most of them were very polished, sharp, and professional. In the dream, the main witch, who was the host, had the whole coven watch a video explaining how they intended to corrupt, defile, and then bring the younger generations of the nations under the spell of their “queen” and “king,” who I knew to be Satanic rulers in the heavens.

In the video that was shown, the main thing taught to the witches was that the key to putting a spell of control over the young generations was to slowly scrub the internet, libraries, and movie vaults of all pure, wholesome, and clean entertainment. They were taught to only make entertainment that showed some form of witchcraft in an acceptable light, along with subtle imagery and acceptance of sexual perversions. The video showed a future where people who wanted to find wholesome and pure

entertainment to watch with their children could no longer find it, and so they had to compromise with subtle allowances of sexually charged and demonically infused entertainment.

At this point in the dream, I was very upset as I was thinking of all the children they are seeking to defile! I walked up to the head witch, who didn't yet know I'm not one of them. She looked at me expecting my approval of all that I had just seen, but I looked back and said, "What you don't know is that I have been sent here by Jesus Christ, and now you will suffer His fury for touching His children."

I woke up from several alarms on my phone which were amber alerts notifying me of children being kidnapped. I knew the Lord was shouting and saying, "It is time to wake up on behalf of the children!"

COMMENTARY

From this encounter, I heard the Spirit say, "Andrew, decree that Operation Fury is commencing and rise up." Since this dream encounter, I have rallied intercessors and prayer warriors to align with this word. We have been praying and declaring that Operation Fury is now coming forth and asking God to release the angelic armies to partner with righteous military and law enforcement to expose and destroy hidden and evil works against the children and humanity! I believe God is fed up with wickedness targeting our children and the youth. Our future generations hang in the balance! We can no longer wink at this wickedness. It's time for the righteous to be as bold as lions and wage war for the children. Our weapons are not carnal, but mighty through God to pull down every stronghold!

BIBLICAL SUPPORT

“Thou shalt not suffer a witch to live.” (Exodus 22:18, KJV)

“It would be better for him if a millstone were hung around his neck, and he were thrown into the sea, than that he should offend one of these little ones.” (Luke 17:2, NKJV)

“Let no one be found among you who sacrifices his son or daughter in the fire, practices divination or conjury, interprets omens, practices sorcery, casts spells, consults a medium or spiritist, or inquires of the dead. For whoever does these things is detestable to the LORD. And because of these detestable things, the LORD your God is driving out the nations before you...” (Deuteronomy 18:11, BSB)

DECREE

We decree that the church is waking up for the sake of the children. We decree that America is waking up for the sake of the children. We decree that the witchcraft intended to defile and control the young generations is now being cut off and destroyed. We decree that the youth of America will be delivered from the sorcery in media, and see visions and dreams from heaven! We decree a great awakening and revival among the children and youth of this nation! We declare that covens, witches, and Satanists who cast spells and spread darkness are now being driven out of every mountain of society. We decree Operation Fury has commenced against all witchcraft targeting our children, in Jesus' name!

DAY 17:

Overthrow Jezebel Dream

2017

In the dream I looked and saw a large school gymnasium. On one half of the court I saw a church service and hundreds gathered for worship. On the other side of the court there was an awards ceremony taking place. There were dozens of kids, youth, and young adults sitting down and dozens more entering through the door to find a seat. A woman was conducting the awards ceremony, and I somehow had a revelation that she was the spirit of Jezebel.

In the dream Jezebel was handing out trophies to anyone in the gymnasium who would be willing to rebel against God's created order to experiment and participate in the LGBTQ lifestyle. I saw that the people on the other side of the court in worship were not paying attention and were unaware of what was taking place right behind them. Suddenly a prophetic fire gripped me and I ran up to Jezebel. With incredible intensity, I grabbed the trophy out of her hand, which looked like a golden statue of a Baal. I broke the trophy over my leg, and I roared, "This is the spirit of Elijah!" I immediately continued to prophesy and declared, "When the execution and death of Hillary Clinton is announced, it will be the sign that the ruling principality over New York State is falling and Jezebel is being overthrown from this nation." I then saw that those

gathered for Jezebel's awards ceremony were now all leaving and Jezebel left too, angry and threatening me.

COMMENTARY

This dream was very prophetic. I believe God was giving me a glimpse of the spiritual battle on the court—contending for the soul of a generation. Interesting that both the spirit of Jezebel and the spirit of Elijah were mentioned. I believe we are at that point again. Jezebel is looking to dominate a culture and nation, rewarding them with idolatry. I believe the church is passive, unaware, and in many ways tolerant of the spirit of Jezebel. The remedy to break its power off of a young generation is the spirit of Elijah. I believe as the spirit of Elijah continues to mantle God's people, we will see the idolatry that has been established by the spirit of Jezebel begin to dissipate. Lastly, the word about Hillary Clinton was spontaneous and unthought of in my own natural mind. I knew this was the spirit of prophecy pointing to a time when this would be fulfilled as a sign.

BIBLICAL SUPPORT

"He will also go before Him in the spirit and power of Elijah, 'to turn the hearts of the fathers to the children,' and the disobedient to the wisdom of the just, to make ready a people prepared for the Lord." (Luke 1:17, NKJV)

"Jezebel's body will be like dung on the ground in the plot at Jezreel, so that no one will be able to say, 'This is Jezebel.'" (2 Kings 9:37, NIV)

"But I have this against you, that you tolerate that woman Jezebel, who calls herself a prophetess and is teaching and

seducing my servants to practice sexual immorality and to eat food sacrificed to idols.” (Revelation 2:20, ESV)

DECREE

We decree that the church is waking up and breaking off its toleration of Jezebel. We decree that the spirit of Elijah is being poured out in this generation to turn the hearts of the fathers to the children and the disobedient to the wisdom of the just. We decree that Baal idolatry is being broken and destroyed and a generation seduced by Jezebel is being set free! Let Jezebel fall dead, her influence and image destroyed beyond recognition, in this generation, in Jesus’ name!

DAY 18:

Operation Takedown Mockingbird Dream

May 4, 2020

In the dream I was sitting at a table across from Oprah Winfrey. I looked at her and said, "Operation Takedown Mockingbird will utterly destroy you." Then I said, "I bless you and pray for you in the name of Jesus, but you and your power structure are over!" Then suddenly I felt a tap on my shoulder, but no one was there. I looked, and standing in a doorway was a prophet named Chris Berglund. When I saw him I said, "Oh that physical touch on my shoulder was the cloud."

Next in the dream, I was sitting at a table with Lou Engle, and I told him that I just had a dream about Operation Takedown Mockingbird. Suddenly Hillary Clinton sat down next to me at the table. I realized I couldn't share openly the details of Operation Takedown Mockingbird because she was there. Hillary looked at me and began to compliment me, saying that I was a great prophet. I almost started to feel drawn to her, like I could trust her. I was surprised at how kind she was being to me. I woke up and felt that God said this was the flattery and the makeup of Jezebel. I felt God say that the enemy is afraid of this operation and will seek to corrupt with flattery.

COMMENTARY

In a prayer meeting on March 12, 2020, prior to this dream, I woke up to an audible voice that said, "Take down

mockingbird.” After I heard the Lord say this, I shared it with Lou Engle who said, “I believe this is the bird of the air—the ruling principality over the media airways!” What’s even more interesting is that, upon doing some research, I discovered that there was a secret CIA program called Operation Mockingbird that was started in the 50s, introducing propaganda and mind control through the media.

Related to this dream, I’d like to share another dream I had in July of 2020:

In the dream I was in the CNN headquarters. I was sitting with their main news anchors. I saw the words “child traffick-ing” on a piece of paper. Then I spoke to the news anchors and said, “Q is exposing your network of elite child trafficking.” They all began to mock me and tell me how phony and fake QAnon was. They were trying to silence me. Then I said, “Nothing you can say now can hide the truth. Q proofs are too many to deny, and you will not stop us from our constitutional rights.”

BIBLICAL SUPPORT

“Those who do wickedly against the covenant he shall corrupt with flattery; but the people who know their God shall be strong, and carry out *great exploits*.” (Daniel 11:32, NKJV)

“When Jezebel, the queen mother, heard that Jehu had come to Jezreel, she painted her eyelids and fixed her hair and sat at a window.” (2 Kings 9:30, NLT)

“‘I will sweep away man and beast; I will sweep away the birds of the air, and the fish of the sea, and the idols with their wicked worshipers. I will cut off mankind from the face of the earth,’ declares the LORD.” (Zephaniah 1:3, BSB)

DECREE

We decree that Operation Mockingbird is now falling. We decree that this “bird”—the demonic power over the airways that has been spewing out lies, propaganda, and witchcraft—shall be thrown down. We decree that mainstream media companies, Oprah, Hillary, and any other famous celebrities who may be using flattery, seduction, and lies to protect any human trafficking involvement will be exposed and brought to justice. We decree that prophetic intercessors will continue to see and hear how to pray for Operation Takedown Mockingbird until it is destroyed.

DAY 19:

National Justice League Dream

July 28, 2021

In my dream I realized I was Batman standing with the Justice League. We were all waiting in line to enlist in a great battle for Kingdom purposes in the United States. As I stood in line, I realized that a counterpart, another hero from the Marvel Universe, stood next to each of the Justice League members from the DC Universe. I realized that at any time I was able to access their abilities and they could access ours. It was the joining of two great worlds for the ultimate purpose of conquering evil in the United States.

Suddenly, I saw an evil gang of men who were bent on destroying the line-up of a team called the Nationals. They began to fire silver bullets that moved at a rate of speed far greater than normal bullets, and they had supernatural powers. Immediately I saw Wonder Woman, Vision, Captain Marvel, and Superman all working in tandem. With their combined skills, no silver bullet had any ability to remove them.

The evil gang realized they needed to retreat because the Nationals were about to be activated against them. So, in the dream, I returned to the line to receive my marching orders. As I came to the front of the line, a desk with two seated angels had a file and a pen. They opened the file to show me what my kingdom assignment was on the Nationals team. I looked down and saw a dragon devouring little children. I spoke up and said,

“All the power of Heaven is given this day to defeat abortion, human and child trafficking, and the immoral devouring of our children.” I went to sign my name next to my assignment and saw another name of a man who leads a ministry called “Civil Righteousness.”

Lastly, I looked out across the line that had formed to enlist in the Kingdom assignments for America. Seeing many White, Black, Asian, and Hispanic members, I said, “God Himself is about to unleash His team, the Nationals.”

COMMENTARY

I woke up considering the combination of the Marvel team and the Justice League and felt that God was about to release his “Avengers” to bring forth justice on Earth. The DC Universe and the Marvel Universe are going to unite. I believe God is going to bring forth His marvelous works into the Washington DC governmental realm. The Nationals are God’s chosen mighty men and women to help break the power of hell’s grip on America and restore the Kingdom and the prophetic destiny that is upon this nation.

BIBLICAL SUPPORT

“Some Gadites joined David at the stronghold in the wilderness, mighty men of valor, men trained for battle, who could handle shield and spear, whose faces were like the faces of lions, and were as swift as gazelles on the mountains...” (1 Chronicles 12:8, NKJV)

“The LORD goes out like a mighty man, like a man of war He stirs up His zeal; He cries out, He shouts aloud, He shows

Himself mighty against His foes.” (Isaiah 42:13, ESV)

“Deliverers will go up on Mount Zion to govern the mountains of Esau. And the kingdom will be the LORD’s.” (Obadiah 1:21, NIV)

DECREE

We decree that God is going to send forth His Nationals team on behalf of America. These will be deliverers who govern on the mountains. Both angels and warriors of Christ are now being commissioned to release the marvelous light of God into the realm of governmental corruption and darkness. We decree that no weapon formed against God’s band of mighty ones will be able to prosper or succeed. We decree that America will be saved!

DAY 20:

The Capture of the Deep State Dream

June 9, 2021

In my dream I was walking by a tall skyscraper. I sensed it was Trump Tower. I suddenly had the revelation that, contrary to what everyone has assumed about President Donald Trump's loss of the election, he had been publicly justified as the winner of the election. Not only that, but I knew that the Trump allies and military patriots had rounded up all of the bad actors and evil conspirators who, for decades, have worked against America. I looked up at the skyscraper and saw that a whole section (multiple floors) of the building had been turned into an impenetrable prison with military-grade security and reinforcement. As I looked at the prison I saw hundreds of people jammed up against the windows—so many people crammed into one place. Looking down at me and cursing me for praying against them were Hillary and Bill Clinton, the Obamas, Henry Kissinger, George Soros, the British Royal family, and thousands of others who I knew represented state governments, Hollywood, rogue military intelligence agents, and many more.

As I walked by the skyscraper, I saw Bill Clinton pull out a gun to shoot at me. He fired but missed every time. I wondered how on earth he was able to find a gun, but then I said, "The Clintons have weapons everywhere." However, I knew these last few shots were the death cry of the Deep State. They had nothing left! I continued to walk by the skyscraper, and

I suddenly became aware that what I was seeing was now becoming public knowledge. The truth was no longer being contained. Everyone was starting to understand the depths of evil and corruption in all sectors of American society and world governments. Suddenly people began walking up to me in person, apologizing to me for doubting. Some sent me letters saying, “We thought Q and the Anon movement was phony, but now we see it was real.” Multiple letters showed up in my hands—letters of people telling me they were sorry for how they persecuted my dreams and what they thought was false.

COMMENTARY

I knew instinctively in the dream that this new information would bring great healing to America and the division within. In reality I don’t need an apology from anyone who doubted or didn’t believe. However, I am confident that many who did will have an awakening to reality and change their position and view on many things. This dream is a powerful picture of justice. God is going to use the Trump Tower— his position and his Cyrus anointing—to destroy the Deep State agenda against America and freedom. I believe the Trump Tower is also Trump insulated in the tower of the Lord. The name of the Lord is a strong tower. Like God did with King Cyrus, He is doing with Trump and securing him in His name. As a result, God is removing His and our enemies.

BIBLICAL SUPPORT

“The name of the LORD is a strong tower; The righteous run to it and are safe...” (Proverbs 18:10, BSB)

“He will yet fill your mouth with laughter, and your lips

with a shout of joy. Your enemies will be clothed in shame, and the tent of the wicked will be no more.” (Job 8:22, BSB)

“What He tears down cannot be rebuilt; those He imprisons cannot be released.” (Job 12:14, NIV)

DECREE

We decree that Donald Trump is in the refuge of the name of the Lord. God is the strong tower that has secured our safety. We decree that the enemies of freedom, liberty, and the people of America are being clothed in shame. Their tents and hiding places are being exposed, removed, and are no more! We decree that God is tearing down the Deep State systems, structures, families, and generational control. They are being imprisoned and shall not be released! We decree that no weapon fashioned against us shall prosper. The Clinton assets and weapons are being cut off, in Jesus’ name!

SECTION 3

GOD BLESS AMERICA

DAY 21:

Godzilla on Main Street America and God's Solutiondream

June 2, 2020

In my dream I was walking along a road called Main Street America. As I walked, I saw an incredibly large beast like King Kong or Godzilla asleep on a part of Main Street America that I knew was the inner city. I realized that many youths of diverse colors were painting graffiti on the beast as he slept. I recognized that the graffiti was placed on the beast to symbolize their fatherlessness and their pain over society's misunderstanding of them. They were alone and scared.

Suddenly the beast woke and stood to his feet. As he walked on Main Street America, I was almost in disbelief at how large it was. It looked like an enormous gorilla with the gray skin of a whale. I shouted to everyone along Main Street America, "Godzilla is coming and he is larger than anyone thought!"

The beast began to chase people down the street. It had such anger and rage in its eyes. People began to scream in terror as the beast charged forward. Next in the dream, I stood in front of the beast. I looked into its eyes, and I realized that what drove its anger was actually fear. I suddenly had a sense of compassion for this Godzilla. When it realized I saw its fear, the beast became afraid of me and dove off Main Street America and under a bridge.

As I stood on top of the bridge I realized that I was standing

on the floor of my house. This beast growled and roared under the floorboards and foundation of the house. I began to think to myself, “We have to get this out from under the foundation.” Immediately I saw snow fall from the heavens and cover Main Street America. It covered the beast, the foundation, the bridge, the ditch, and the hills along the road. Everything was still and peaceful. Then I said, “This is the remedy for our crisis. As a result of The Great Communion Revival, our sins will be made white as snow.”

COMMENTARY

God is identifying a beast—racism and bloodshed against Native Americans and African Americans. Racism, bloodshed, and the fruit it has produced are now walking down Main Street America, but what drives the pain and reaction is fear. This beast is in the foundations and floorboards of our nation and, we will never bridge the gap between all races while it remains hidden. The only answer is to identify the reality that racism and bloodshed was and is a national sin that needs to be brought into the light and atoned for. Even if we don’t believe we have participated in it, there are certainly leaders, laws, and policies that have intentionally broken covenants, shed blood, and fueled racism throughout the past.

The Great Communion Revival is a revival of an Upper Room-type movement where all ethnos—Natives, Blacks, and Whites—stay in the room together, confessing sin, forgiving, and remembering the body and blood of Jesus. In this type of revival, the cleansing power of God’s love through the cross will shower us with healing and make our scarlet sins whiter than snow!

BIBLICAL SUPPORT

“‘Come now, and let us reason together,’ says the LORD, ‘Though your sins are like scarlet, they shall be as white as snow; Though they are red like crimson, they shall be as wool.’” (Isaiah 1:18, BSB)

“For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places.” (Matthew 24:7, BSB)

“Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effective.” (James 5:16, NIV)

DECREE

We decree that the monster of racism, broken covenants, and bloodshed between Blacks, Whites, and Natives, that is in the foundations of the nation, is now being atoned for by the blood of Jesus Christ. We decree that brothers and sisters of diverse backgrounds and cultures in America will repent, confess, and be healed. We decree that an Upper Room-type movement of God’s Spirit is coming to unite us together in Christ! We decree that a Great Communion Revival will release the power of God’s love, forgiveness, and reconciliation to remove the Godzilla of racism from our roots, healing the wounds, and putting this monster to rest, so that our nation can go forward with wholeness, in Jesus’ name!

DAY 22:

The Spiritual Significance of the American Flag Dream

August 22, 2020

In my dream I was driving through the southern, middle, and northern parts of America. I was struck by how almost everywhere I looked, I saw the American flag waving from light poles, the front and back of vehicles, house porches, and more. People were marching and waving it along streets like a parade. It seemed as if I was traveling in a non-stop parade across America and I was captured by the amazing view of American flags waving everywhere.

I suddenly had a prophetic revelation from the Lord: Those who honor the flag are honoring the purposes of God for the land. I also knew that this was a controversial statement. I said out loud, "The church is often so religious, they don't understand the significance of anything outside the four walls, especially the Godly purpose of nations."

Then I said, "If people wave the American flag with honor, even if it has nothing to do with God himself, God will honor the nation." I was wrestling with the theology of what I just said when another prophetic revelation came to me: The flag represents the blood of men and women who died in honor, to uphold ideals they believed were just and righteous. I then heard this from the Lord, "I honor their sacrifice."

Then I questioned, "God, hasn't America's flag been used

for many injustices and evils as well?" Then I heard, "My name has been used for many injustices and evils too—but it's the blood of those who honored My name that is spiritually applied to My name."

I knew when He said this that the blood of those who honored the just and righteous causes of America was credited to the flag.

Lastly in the dream, I knew two things: Nations were not made by man, but by God. Every nation was given a redemptive purpose and calling, and it was up to its leaders to govern and steward unto these purposes. I also knew that, if Americans honor the flag at this time, it will have a spiritual effect on the unity of the nation.

COMMENTARY

This dream can be controversial, especially in our limited theology of how God's kingdom functions on the earth. Too often in the Church, we have not understood God's sovereign plan for nations and how they were created to glorify God—giving place for the spread of the Gospel of Christ and advancing the Kingdom of Heaven. This dream gives us insight into the power of Godly honor for the righteous and just causes that patriots have shed their blood to uphold—acknowledging God's providential purposes for America. There is no innate power in a flag, but there is power in honor, unity, and agreement together. God is giving us a spiritual look into what happens when we acknowledge the blood of His children who perished for the sake of others. It's the very heart of Christ and He anoints and blesses this kind of love. The American flag not only represents sacrifice, but the millions of voices lifted in prayer for God's

purposes in America for generations. Lastly, the flag speaks of early righteous and covenantal foundations made by some of the pilgrims and forefathers of the land. Ultimately, our allegiance is to Christ, but He is calling us to honor what He has created, called, and commissioned through the United States of America.

BIBLICAL SUPPORT

“From one man he made all the nations, that they should inhabit the whole earth; and He marked out their appointed times in history and the boundaries of their lands. God intended that they would seek Him and perhaps reach out for Him and find Him, though He is not far from each one of us.” (Acts 17:26–27, NIV)

“He said, ‘What have you done? The voice of your brother’s blood is crying to Me from the ground.’” (Genesis 4:10, NASB 1995)

“Why should the nations say, ‘Where is their God?’ Let there be known among the nations in our sight the avenging of the blood of Your servants which has been shed.” (Psalm 79:10, NKJV)

DECREE

We decree that God has ordained America as a nation to be a light to the nations for the gospel of Jesus Christ. We repent for where evil atrocities have been committed in the name of America and freedom. May the blood of Jesus speak a better word for this land than the blood of Abel. May the sacrificial blood of those who stood for true righteous and just causes be applied to the American flag, and may God respond to the cry

of their blood. We decree that the American flag, through the washing of the blood of Jesus Christ, signifies righteousness and justice for the oppressed, and the ideals of liberty and justice for all. We decree that America will honor the American flag as a remembrance of lives sacrificed to uphold the ideals of honorable, right, just, and Godly causes. May the Lord bless America on behalf of the applied blood of Jesus and the sacrifice of the servants of just causes.

DAY 23:

Stand and Fight! We Are In a Prophetic War! Dream

October 1, 2021

In my dreams God will often take me into a place of intercession where I can feel, know, and understand what others are experiencing in realms of resistance and what is needed for breakthrough and victory. On this night, I woke up from a powerful dream in which I knew that many people were under a heavy cloud of oppression and spiritual resistance. In the dream I was aware that this wasn't just happening in the world, but specifically among many in the Body of Christ, and in America.

Since I was functioning as a prophetic intercessor in the dream, I felt the weight of this resistance that many people are experiencing. The best way I can describe these feelings is an overwhelming sense of disillusionment, confusion, hopelessness, shame, and quiet desperation. There was a nagging feeling that God's promises might never come to pass.

Suddenly in the dream, Lou Engle came up to me and said, "Andrew, you need to deliver a word to the Body of Christ!" Lou then picked me up and brought me to a massive gathering of believers across America. I knew they were the ones experiencing the resistance I had just felt. Before I took the stage I began to pray and ask God what word was needed for their breakthrough. I heard the Lord say, "Write down what I tell you." So I began

to write what I heard Him speak. He said, "The name of this prophecy you are to give them is called Prophetic War."

It's hard to fully describe how I felt, but upon hearing the name of that title, I suddenly felt the despair and confusion lift off me. I knew that this was also what would happen to the people who received God's directives from this word. I wrote down a long list of things I was hearing Him say. Here are some of the things I remember writing in the dream:

"My people need to relearn the art of war. They have not yet learned prophetic warfare like many of the ancients."

"My people need to know that when I give them a prophetic promise, there will be resistance—all of Hell will be set against it—and My people must change their mentality from passive acceptance to militant faith."

In my dream, after I wrote this down, I realized that resistance was suddenly set against me. An unseen enemy came after me to steal my notebook with this written word. I looked to Heaven and said, "God, in Your mercy, deliver me from this foe! I pray Your sword would now slay this Leviathan." I knew as I spoke this prayer that it was a Leviathan spirit that was operating to take the faith and fight out of God's people—to keep them under the twisting lies that say that God's promises will not be fulfilled.

In the dream I broke through the resistance, taking the stage where crowds had gathered to worship and hear a message. As I opened my mouth, I saw the heavens open and a sword descended, striking the belly of Leviathan. I knew at that moment that the ears of the people could now receive this word. As I opened my mouth to speak, the spirit of prophecy came upon me and I declared, "God says, 'Somebody needs

to hear this!" I then proceeded to prophesy: "You must now fight! You must now learn to war for the promises, stand up, and believe."

Those who had gathered to hear this word were being set free from their shame, apathy, hopelessness, and disillusionment. I watched as a visible resilience came back into the people of God. The word was delivering a breaker anointing to restore their hope and faith again!

COMMENTARY

I believe God is coming to refresh our hope in His promises. He has seen the resistance set against His people and He is coming with the key of prophetic war—a call to stand and fight for the fulfillment of His words, regardless of opposition! Our faithful warfare in this time will release the sword of the Lord to strike the belly of Leviathan, destroying the lies, confusion, and twisting contradictions to God's good report. Our fight will release the justice of God against our enemies. It is time to fight again. Throw off the unbelief, disappointment, and hopelessness. Believe the report of the Lord! He says, "Yes and amen!" to the prophetic promises. He is a promise keeper! This day we must fight!

BIBLICAL SUPPORT

"This charge I commit to you, son Timothy, according to the prophecies previously made concerning you, that by them you may wage the good warfare." (1 Timothy 1:18, NKJV)

"Do not neglect the gift that is in you, which was given to you by prophecy with the laying on of the hands of the eldership." (1 Timothy 4:14, NKJV)

“Fight the good fight of faith. Take hold of the eternal life to which you were called when you made your good confession in the presence of many witnesses.” (1 Timothy 6:12, NIV)

DECREE

We decree that God is now causing His people to hear Him again. They are being reminded of the precious promises made and the prophecies given. We decree that we will remember the prophecies over our lives, families, cities, and nations, so that we may effectively wage victorious spiritual warfare. We decree that the sword of the Lord is being released against Leviathan and this twisting serpent. We decree that the belly of the beast is being pierced and those under its witchcraft are being released from his lies, confusion, depression, despair, and hopelessness. God, we decree that you are causing us to advance through prophetic warfare. We decree that we are learning the art of spiritual war by the wisdom of God and the power of the Holy Spirit! Now restore faith, hope, and love to your people, in Jesus' name!

DAY 24:

Esthers Arising Dream

September 9, 2020

The following is a dream my daughter Josie had:

In the dream Josie stood in a living room with a woman who had 10 children and was pregnant with twins. The woman told Josie that there was going to be a new plan released like abortion. My daughter didn't know if it was another type of abortion or some other plan of death. When the woman told my daughter of the plan, Josie spoke up and said, "This is a job for Special Forces." Next, Josie was on a website looking at the abortion statistics of how many were committed this year. She saw a countdown for the new death plan to be launched and it said "#4."

Next in the dream, Josie walked into a room where Lou Engle, Heidi Baker, and Cindy Jacobs were discussing how the death plan was soon to be released. Lou spoke up and said, "The only way to take this plan down is to call forth the Esthers." Josie walked into the room and said, "This will be one of the missions of Special Forces."

The dream then changed and Josie was with me (Andrew), Lou, Heidi, and Cindy in an old chapel. In the middle of the chapel, Josie saw an old well. Josie knew that the well was not filled with water, but filled with tears. She pulled up a bucket from the well and brought up a multitude of papers and

journals that contained the cries, prayers, proclamations, and intercessions of all the former “Esthers” throughout the ages.

COMMENTARY

This is an epic dream that I believe carries several layers of meaning and is especially significant for our times. A month before *Roe v. Wade* was overturned, I was in a Dallas courtroom where it all began. In that place during a prayer meeting, I met a woman who had 10 children and was praying about birthing an Esther movement. I related my daughter’s dream to this woman and we were stunned. I knew God was confirming His will to birth two babies. The first would be the overturning of *Roe v. Wade* and the second would be the overthrow of the second plan of death at work against humanity. I believe my daughter saw “#4” at least on one level because it connects to the 4th seal in Revelation, which is “Death.” I believe God is giving us a key prescription to reverse this curse, and it is found in a new Esther movement arising and aligning with the Esthers through the ages. It’s the synergy of the ages!

BIBLICAL SUPPORT

“...in order to confirm these days of Purim at their appointed time, just as Mordecai the Jew and Queen Esther had established them and had committed themselves and their descendants to the times of fasting and lamentation.” (Esther 9:31, BSB)

“Go and assemble all the Jews who can be found in Susa, and fast for me. Do not eat or drink for three days, night or day, and I and my maidens will fast as you do. After that, I will go

to the king, even though it is against the law. And if I perish, I perish!" (Esther 4:16, BSB)

"In every province to which the king's command and edict came, there was great mourning among the Jews. They fasted, wept, and lamented, and many lay in sackcloth and ashes." (Esther 4:3, BSB)

DECREE

We decree that Haman's death decree operating through the elites of the earth, under a satanic depopulation agenda, is now being cut off. We decree that "Esthers" and "Mordecais" are rising in the nation and the nations of the Earth for such a time as this, to cry out for salvation and deliverance. We decree that the cries of this present generation will join with the cries of every Esther throughout the previous generations and break the power of death against God's people. As a result of these intercessions, may the victory of the cross be applied against all the works of darkness and hang the satanic elites on their own gallows, in Jesus' name!

DAY 25:

Great Awakening Dream

February 20, 2019

In the dream there were lines representing different mountains of society and lines representing different roles, callings, and positions in the church. Each line had a person assigned to pray and prophesy over their line. I was appointed to pray and prophesy over the intercessors of America. I found myself boldly prophesying, “I call forth a great uprising from the intercessors—that the name of Jesus will be upon their lips from the four corners of this nation! For the word of God is near them and in their mouths to prophesy! As they speak forth the name of Jesus over this land, the winds will blow and a Great Awakening will sweep through America.”

COMMENTARY

In the dream I knew by revelation that the awakening that sweeps through America is going to remove structures, systems, and people that have been planted and established to oppose the Kingdom of Heaven. Let me also say that I believe this book is part of the fulfillment of this dream—that I am being a prophetic voice for intercessors of America. I believe this book will inspire many intercessors that exalt the name of Jesus and release winds of awakening and a sweeping move of God. This will not only save lives, but remove demonic constructs throughout the entire sectors of society in America!

BIBLICAL SUPPORT

“This calls for a mind with wisdom. The seven heads are seven mountains on which the woman sits.” (Revelation 17:9, BSB)

“But what does it say? ‘The word is near you, in your mouth and in your heart.’ That is, the word of faith which we preach.” (Romans 10:8, BSB)

“This is why it is said: ‘Wake up, sleeper, rise from the dead, and Christ will shine on you.’” (Ephesians 5:14, NIV)

DECREE

We decree that the intercessors of America are being called, commissioned, and informed by Heaven. We decree that prophetic revelation will be released for targeted, effective, and victorious intercessory, spiritual warfare. We decree that the word is near, in our mouth and heart, and we faithfully prophesy the name of Jesus across the land over every mountain and sphere of society. Let a third great awakening sweep through America that demonic structures, powers, and authorities will be removed and Christ will shine upon us!

DAY 26:

Passover America Dream

November 5, 2018

In the dream I was in the ocean along the east coast of America. I was swimming with a man who is a prophet to America. Together we were praying and prophesying, “God, pass-over America.” As we spoke this out, small waves were being generated that headed towards the shores. I knew that these waves needed to gain enough speed and force to cover the whole nation and bring significant impact. I wondered how our little voice and our little prayers could generate large enough waves to make any real difference. Suddenly, I saw a massive storm gather in the heavens and I prophesied, “Our waves will come together with God’s Euroclydon.” In the dream I interpreted what the Euroclydon was. “The Euroclydon is God’s sovereign will, word, and destiny for America.” I knew instinctively that our voice was necessary to create waves and that our waves would be supernaturally multiplied, accelerated, and enlarged by God’s Euroclydon—the storm of His sovereign will for our nation.

COMMENTARY

The current crisis condition of our nation seems to overwhelm what little we can offer in prayer. I believe God is calling us to trust that our little, weak prayers in His hands can be supernaturally multiplied in their impact—just as the few fish and loaves were multiplied by God’s word! The fish and

loaves, though few, were essential for the miraculous work of God. In the same way, our prayers, though weak, are strong in His hands. During this critical time in our nation, don't think in terms of what is possible with man alone. Raise your voice in prayer and trust that God will multiply the impact through the storm of His sovereign will!

Our prayers are joining with the prayers of generations prior. There is truly a synergy of ages that is mounting up angelic winds to carry the prophetic word of the Lord to passover America! One last thought is that "Euroclydon" literally means a northeasterly wind storm. The storm that Donald Trump announced from his presidential office in Washington DC, I believe, is part of God's sovereign plan to destroy the gods of Egypt—freeing us from the death plan of the Deep State, and bringing a great passover for America.

BIBLICAL SUPPORT

"Daniel said: 'In my vision at night I looked, and there before me were the four winds of heaven churning up the great sea.'" (Daniel 7:2, NIV)

"But not long after, a tempestuous head wind arose, called Euroclydon." (Acts 27:14, NKJV)

"The blood will be a sign for you on the houses where you are, and when I see the blood, I will pass over you. No destructive plague will touch you when I strike Egypt." (Exodus 12:13, NIV)

DECREE

We decree that the prayers of the saints in America will rise and offer up guttural prayer—though weak and small—these

prayers will now join with the synergy of ages, being gathered up on the wings of angels and released into the storm of the Lord for America! We decree that northeasterly winds shall now blow across the land from the governmental realm of America in order to break the death grip of “Egypt,” “Babylon,” and hell itself off of the prophetic destiny of America. We decree that the blood of Jesus is being applied upon our national doorpost, upon our guilt, upon our shame—and that the blood of Jesus is speaking a better word for America. We decree that our prayers are now joining in with a sovereign storm of the Lord that will restore the land with Heaven’s purposes.

DAY 27:

Now Is the Time of Revivals and Awakenings Dream

October 30, 2018

In my dream I came into a room of prophetic intercessors and said, “I had a profound encounter in a dream. The Lord handed me a calendar that told me what time it is.” Where every month should have been named on the calendar there was a phrase instead. This is the phrase that I saw across every month of the calendar: “Now is the time of revivals and awakenings.” I then took it from the Lord and carried it with me everywhere I went.

In the second part of the dream, I came into a circle of several different leaders and they started to pray over me and break curses off my life—generational curses, accusation, and word curses. Some of it came from church conflicts in the past. In the next scene I hugged Lou Engle and we wept together, both having understanding and revelation of the powerful and intense sorcery that had come against us. Both Lou and I felt free, but compassionately related with one another about the severity of the battle. Then, with my calendar in hand, we got into a car with several other prophetic intercessors and drove on the interstate.

COMMENTARY

This dream certainly had personal meaning, but I believe it is a corporate word as well. God is bringing us into a whole new era. This era will be marked by revivals and awakenings. It is a new era and a new day of the Lord's power! There is a preparation that is needed for us in the body of Christ who have been praying and contending for revival. The intensity of the warfare has been very real for many who have set out to see awakening and revival come to a nation. Without a doubt we have faced tremendous witchcraft and resistance. Yet God is letting us see in this dream that brotherly love and ministry to one another will produce in us a freedom to take the times of revivals and awakenings across the nation and interstate.

BIBLICAL SUPPORT

"Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord." (Acts 3:19, NASB)

"Blessed be the name of God forever and ever, for wisdom and power belong to Him. He changes the times and seasons; He removes kings and establishes them. He gives wisdom to the wise and knowledge to the discerning." (Daniel 2:20–21, BSB)

"A bruised reed he will not break, and a smoldering wick he will not snuff out, till he has brought justice through to victory." (Matthew 12:20, NIV)

DECREE

We decree that the Lord holds time in His hands and He is preparing to bring us into a new day of the Lord's power—the times of revivals and awakenings. We decree that God is coming to revive the hearts of the warriors who have suffered the effects of sorcery, witchcraft, and demonic attacks. We decree that God is coming now to revive the pure fires in hearts and strengthen where we have been bruised. We decree that God is causing the sun to stand still across our nation—that revival and awakening will mark every day of the calendar until it has its full work! We decree a massive harvest of souls being saved, healed, and delivered, and the works of the enemy utterly destroyed throughout America in Jesus' name!

DAY 28:

More Than Revival Dream

November 17, 2022

In my dream I saw Dutch Sheets and Chuck Pierce. We were sitting in a war room at a round table. They asked me what the Lord had been saying and if I had heard anything from Him in my dreams. I said, “Yes, revival.” Then the word “revival” was immediately spelled out and the letters stood on the table in front of us. I said, “No, it’s more than revival. What is coming is heaven on earth and we have never experienced anything like it.”

At that moment in the dream, a cloud descended from heaven and smashed the word revival. Dutch Sheets turned to me and said, “Andrew, then you must focus on the 100,000.” Immediately, I remembered a previous dream I had in 2015. In that dream a messenger came running into a worship gathering and announced, “100,000 of the LGBTQ have been saved, healed, and delivered.” To which I responded, “If 100,000 have been saved, healed, and delivered then they have all been saved, healed, and delivered!”

COMMENTARY

This dream gives me great hope for what God intends to pour out upon America. I believe the only word we have for what God is getting ready to do is “revival.” But when heaven comes down on earth, it’s going to smash our perception of

what revival looks like. We must continue to pray for God's Kingdom to come and His will to be done on Earth as it is in Heaven. In the last part of this dream, Dutch Sheets directed me to pray for 100,000 of the LGBTQ. I believe there may very well be a correlation with the salvation, deliverance, and healing of this community of people and the next great outpouring of the Spirit. Additionally, I knew in the dream that 100,000 testimonies of the transforming power of Jesus from the LGBTQ would break the normalization of this ideology from culture.

BIBLICAL SUPPORT

"Look among the nations and watch—Be utterly astounded! For I will work a work in your days which you would not believe, though it were told you." (Habakkuk 1:5, NKJV)

"As a plan for the fullness of time, to bring all things in Heaven and on Earth together in Christ." (Ephesians 1:10, BSB)

"'Even them I will bring to My holy mountain, and make them joyful in My house of prayer. Their burnt offerings and their sacrifices will be accepted on My altar; For My house shall be called a house of prayer for all nations.' The Lord GOD, who gathers the outcasts of Israel, says, 'Yet I will gather to him others besides those who are gathered to him.'" (Isaiah 56:7–8)

"Do you not know that the wicked will not inherit the kingdom of God? Do not be deceived: Neither the sexually immoral, nor idolaters, nor adulterers, nor men who submit to or perform homosexual acts, ¹⁰ nor thieves, nor the greedy, nor drunkards, nor verbal abusers, nor swindlers, will inherit the kingdom of God. ¹¹ And that is what some of you were. But you were washed, you were sanctified, you were justified,

in the name of the Lord Jesus Christ and by the Spirit of our God.” (1 Corinthians 6:9–11, BSB)

DECREE

We decree that God is bringing America into a fulfillment of times, where Heaven and Earth align in Christ. We decree that revival is coming like nothing we have seen or experienced before. We now decree that 100,000 of the LGBTQ will be saved, healed, and delivered from the teachings and immoralities of Jezebel. We decree that the house of prayer will be filled with the joy of salvation as God gathers outcasts along with many others who have been lost. We declare that God’s will shall be done on Earth just as it is in Heaven, in Jesus’ name! Amen!

DAY 29:

Great Communion Revival Dream

2012

In my dream I was at a chapel on a large college campus. I saw lines of people for miles down the streets trying to get in. Inside the chapel I was sitting at a table across from Lou Engle. I looked at Lou and knew he was getting ready to preach. I said to Lou, "Of all the revivals and awakenings throughout all of history—none can compare to the coming Great Communion Revival." Then Lou stood up to preach and said, "Open your Bibles to John 1:9." I interrupted and said, "Lou, it's 1 John 1:9."

COMMENTARY

When I had this dream I didn't know that another prophet had actually had the name of this very revival given to him in a dream for Lou Engle as well. The key aspect of the coming Great Communion Revival is the focus on the finished work of Christ and the atoning work of His blood to save, heal, and deliver. 1 John 1:9 says, "If we confess our sins to God, He is faithful and just to forgive us and cleanse us of all righteousness." When God pours out the power of the Holy Spirit on behalf of the intercessions through the blood of the Lamb, it will be the greatest move of Heaven that the Earth has ever known.

BIBLICAL SUPPORT

“If we confess our sins, He is faithful and just and will forgive us our sins and purify us from all unrighteousness.” (1 John 1:9, NIV)

“And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death.” (Revelation 12:11, NKJV)

“None of the rulers of this age understood this, for if they had, they would not have crucified the Lord of glory. But as it is written: ‘Eye has not seen, nor ear heard, nor have entered into the heart of man the things which God has prepared for those who love Him.’” (1 Corinthians 2:8–9, NKJV)

DECREE

We decree that no past revival or awakening will be able to compare with the coming Great Communion Revival. We decree that the Great Communion Revival will be a world-wide invasion of God’s glory that applies the power of the blood over peoples and nations to save, heal, and deliver, in Jesus’ name! We decree that the Great Communion Revival will be marked by the confession and repentance of sin for the forgiveness, cleansing, and healing through the name of Jesus Christ. We decree that the best days are yet ahead and the glory that is coming shall be greater than all the former!

DAY 30:

The Angel Named “Victory of the People” Dream

July 4, 2023

In my dream an angel named “Victory of the People” appeared to me. I knew that he was the overseer of higher education. I understood that to mean how to effectively use prophetic wisdom, revelation, etc. to operate victoriously in the heavenly realms. Suddenly, the word of the Lord came to me and I spoke over this angel and said, “The Lord has now commissioned you to build Shilohs in America. These will be strongholds of God and they will be the last key from Heaven to deliver America and bring victory to the people.”

COMMENTARY

Shiloh was the sanctuary during the period of the Judges when there was “no king in Israel” (Judges 21:25). The town of Shiloh is most famous for being the first seat of government of the invading Israelite forces under Joshua. At Shiloh, the tent of meeting was set up (Joshua 18:1), the land was divided (Joshua 18:10), and judges were seated up to Eli and Samuel (1 Samuel 1:9). I believe these regional and prophetic Shiloh militias will gain intel for the region; exposing where darkness—especially human trafficking—may be operating, in order to wage effective spiritual warfare. I believe Shilohs represent kingdom strongholds that influence and impact whole regions

and territories. Out of Shilohs come Ekklesia governance, atmospheric breakthrough, and Kingdom expansion into all spheres of assigned jurisdiction.

BIBLICAL SUPPORT

“The LORD continued to appear at Shiloh, and there He revealed Himself to Samuel through his word.” (1 Samuel 3:21, NIV)

“The whole assembly of Israel gathered at Shiloh to go to war against them.” (Joshua 22:12, NIV)

“Now the whole congregation of the children of Israel assembled together at Shiloh, and set up the tabernacle of meeting there. And the land was subdued before them.” (Joshua 18:1, NKJV)

DECREE

We decree that God is commissioning His angel, Victory of the People, to build Shilohs in America. We decree that troops of angels will be sent to help build, gather, and conduct Kingdom expansion through America to bring victory to the people! May God begin to establish habitations of His glory and presence in America—appointing a new breed of judges and prophets to execute the word of the Lord and the victory of the cross into whole entire regions and territories, in Jesus’ name!
